Pigmentation. Building a successful career in aesthetics hinges on the ability to identify and treat the skin concerns of this diverse population. Treating Diverse Pigmentation teaches treatments for skin of color that include: the causes of aging and how it affects each race's unique facial anatomy; a guide through several different skin analysis classification systems; review studies analyzing the racial differences in the anatomy, physiology, and histology of pigmented skin; and case-by-case studies that help the reader recognize skin diseases and disorders common to people of color. The text was created for licensed aestheticians and other professionals working in skincare,
