Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, My Life with the Spirits, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school. As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and invaluable technical information.

An edge-of-your-seat thriller spiced with Milo Manara's gorgeous erotic sensibility.

"Chronicling the pleasures and struggles of Michelangelo Merisi (who the world would come to know as Caravaggio) during the painter's early years in Rome, this seminal work is Manara's love letter to his idol--one of the most revered and influential artists in history. Filled with striking and timeless artwork, this hardcover is the first English-language edition of another modern Manara masterpiece!"--
