Modern Brazilian Portuguese Grammar: A Practical Guide is an innovative reference guide to Brazilian Portuguese, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers traditional grammatical categories such as agreement, nouns, verbs and adjectives. Part B is carefully organized around language functions covering all major communication situations such as establishing identity, making contact and expressing likes, dislikes and preferences. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Building on the success of the first edition, this second edition also includes:

- An introduction to the history and current status of Brazilian Portuguese
- Notes for Spanish speakers pointing out the main grammatical differences between the two languages
- Additional explanation and exemplification of areas of particular difficulty for learners.

A combination of reference grammar and practical usage manual, Modern Brazilian Portuguese Grammar is the ideal source for learners of Brazilian Portuguese at all levels, from beginner to advanced.

Spanish speakers can learn Brazilian Portuguese much more rapidly than any other language, and thousands of students have used Antônio Simões's text/workbook *Com licença: Brazilian Portuguese for Spanish Speakers* to make the transition between the two languages. Recognizing the need for a text that incorporates current cultural references and the latest language pedagogy, Simões now offers *Pois não: Brazilian Portuguese Course for Spanish Speakers, with Basic Reference Grammar*. *Pois não* contrasts Portuguese and Spanish, which accomplishes two main goals. It teaches the equivalent of one year of college Portuguese in one semester, three times a week, to Spanish speakers who also have a solid understanding of English. Additionally, the book serves as a basic reference guide to Brazilian Portuguese for the same audience. *Pois não* can be used by students in the classroom or by independent learners. Users of the book may focus on the drills alone, concentrate on both the explanations and drills, or use the book as a reference for consultation only. Answers to all of the exercises are included in the book. A CD containing recordings by native Brazilian speakers of dialogues that appear in the book is included.

A practical reference guide to the most important aspects of modern European and Brazilian Portuguese, it presents a fresh and accessible description of the language combining and function-based grammar.

Brazilian Portuguese made fun--and fast! Whether you are planning a vacation,
