formaldehyde-smelling basement lab for parties and prom. But with a student body totally freaked out by rumors of monsters stalking the halls, Frankie learns that high school can be rough for a chic freak like her. She thinks she finds a friend in fellow new student Melody Carver-but can a "normie" be trusted with her big secret?

Mr D. thinks RADs should have their own school, but Lala isn't ready to give up the rights they fought so hard for. So when she hears about a glamorous contest, where the winning school gets mad moolah and a chance to star in a national ad campaign, Lala decides it's time to bite. It's father against daughter in a battle for Salem's student body. Despite the many challenges, Lala is determined to save Merston High. But she might die twice trying.

Tensions are running high as Melody teams up with Frankie in a race against time to try and stop Bekka from spilling Jackson's big secret. But Frankie has bigger plans in mind - she and Brett decide to film a documentary to further the RADs cause . . . but Bekka isn't about to let some monster steal her man! Meanwhile, Cleo freaks when her friends bolt on her Teen Vogue photo shoot to be in Frankie's documentary, and she starts giving Melody the evil eye - just what is that royal pain up to? Will Cleo stop at nothing to remain queen bee, even if it means teaming up with Bekka - a normie?!

Ghoulfriends Forever is a brand-new Monster High series, introducing three new monster characters. As new students, the trio must navigate the bewildering array of cute monster boys, established cliques, and monster-rific subjects like Mad Science, G-ogre-phy, and Physical Deaducation. As if that weren't hard enough, something strange and sinister seems to be happening at the school. Popular girls like Frankie Stein and Cleo de Nile are acting weird- and all signs point to everyone's new favorite teacher, Miss Sylphia Flapper. Can the new GFFs expose the fave as a fraud, or will they succumb to peer pressure?

When many of her loyal friends begin to show interest in Melody and Frankie, Cleo de Nile's jealousy threatens to destroy the friendship.

Three girls, two guys, five secret journals. The five most popular students at Noble High have secrets to hide; secrets they wrote down in their journals. Now one of their own exposes the private entries... I am leaking these because I'm tired and I know you are too. The success bar is too high and pretending has become the only way to reach it. Instagrams are filtered, Facebook profiles are embellished, photos are shopped, reality TV is scripted, body parts get upgraded like software, and even professional athletes are cheating. The things we believe in aren't real. We are pretenders.

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of *The Dirty Book Club* help each other find the courage to rewrite their own stories and risk it all for a happy ending.
