Montessori Classroom Observation Checklist

This is a great topic, because when you observe you are getting to the heart of what Maria Montessori did to develop her method in the first place. For me, being a naturally talkative and active person, the most important part of observation is to sit and be quiet. I can ' t really take in what the kids are doing if I ' m doing something too.

Observation prepares the adult to act, but, first, we must prepare ourselves to observe! In the third lecture of her 1921 London course, Dr. Montessori talked about the preparation of the teacher as analogous to the preparation of scientists in other fields: “ Any methodical observation which one wishes to make, requires preparation. Observation is one of those many things of which we frequently speak, and of which we form an inexact or false idea.
