Mio, Barker-Hackett and Tumambing's (2012) definition of multicultural competence outlines what these skills should encompass, including:
Developing an awareness of one's own cultural values and biases.
Learning to value others' worldviews.
Developing a set of culturally appropriate interpersonal skills.

Multicultural Psychology, Understanding Our Diverse ... Preview. The updated Third Edition of this best seller presents a highly readable examination of diversity from a unique psychological perspective to teach students how to understand social and cultural differences in today's society. By exploring how individuals construct their view of social diversity and how they are defined and influenced by it, author B. Evan Blaine and new coauthor Kimberly J. McClure Brenchley present all that psychology has to offer on this critically important topic.
