National Bestseller! "Unflinching and unforgettable. Little Secrets has everything you want in a thriller" —Riley Sager, New York Times bestselling author of Lock Every Door Overwhelmed by tragedy, a woman desperately tries to save her marriage in award-winning author Jennifer Hillier's Little Secrets, a riveting novel of psychological suspense. All it takes to unravel a life is one little secret... Marin had the perfect life. Married to her college sweetheart, she owns a chain of upscale hair salons, and Derek runs his own company. They're admired in their community and are a loving family—until their world falls apart the day their son Sebastian is taken. A year later, Marin is a shadow of herself. The FBI search has gone cold. The publicity has faded. She and her husband rarely speak. She hires a P.I. to pick up where the police left off, but instead of finding Sebastian, she learns that Derek is having an affair with a younger woman. This discovery sparks Marin back to life. She's lost her son; she's not about to lose her husband, too. Kenzie is an enemy with a face, which means this is a problem Marin can fix. Permanently.

THE INTERNATIONALLY BESTSELLING PSYCHOLOGICAL SUSPENSE NOVEL YOU CAN'T MISS... "A cracking read...Our Little Secret builds to a deliciously dark conclusion." —Ruth Ware, New York Times bestselling author of The Woman in Cabin 10 Roz Nay's Our Little Secret is a twisted tale of love, pain, and revenge that will stay with the reader long after they turn the last page. They say you never forget your first love. What they don't say though, is that sometimes your first love won't forget you... Angela Petitjean sits in a cold, dull room. The police have been interrogating her for hours, asking about Saskia Parker. She's the wife of Angela's high school sweetheart, HP, and the mother of his child. She has vanished. Homicide Detective J. Novak believes Angela knows what happened to Saskia. He wants the truth, and he wants it now. But Angela has a different story to tell. It began more than a decade ago when she and HP met in high school in Cove, Vermont. She was an awkward, shy teenager. He was a popular athlete. They became friends, fell in love, and dated senior year. Everything changed when Angela went to college. When time and distance separated them. When Saskia entered the picture. That was eight years ago. HP foolishly married a drama queen and Angela moved on with her life. Whatever marital rift caused Saskia to leave her husband has nothing to do with Angela. Nothing at all. Detective Novak needs to stop asking questions and listen to what Angela is telling him. And once he understands everything, he'll have the truth he so desperately wants...

Midori Hunter has it all, including a midnight black Aston Martin Vanquish S parked in the driveway of the mini-mansion she shares with her husband, Dr. Ray Hunter. On the outside looking in, one would think Midori is happy, but it's another story when you don't marry for love, but rather for financial gain. Tired of her cheating husband and fed up with being lonely, Midori takes a liking to Jaydah B., the sassy, sometimes cranky bestselling author who has drama of her own that she hasn't quite figured out how to deal with. They appear to be a match made in heaven, but when the lies that both women have told threaten to be exposed, who decides who stays and who goes? Midori and Jaydah have a lot on the line, and both could lose everything they've worked for. That's why their love affair has to remain their little secret.

On the first day of sophomore year, Lillian Grace Parker organizes handouts with sticky tabs, assigns different colored highlighters to each class, and loads the whole thing into a bubblegum-pink binder. Lilly's pencil-straight brown hair and a sea of freckles feel even more annoying to her with the few extra pounds she has gained over summer break. But Lilly never met a problem she can't fix. As the number on the scale goes down, Lilly keeps changing her goal to a lower weight. Everything's going even better than planned. She's got a BFF who is awesome, all A's (not to mention every extra credit available), and on the soccer field, she's scoring goal after goal. Best of all, she's head over heels in love with Sean, the quirky, sensitive guy who sweeps her off her feet the first week of school. Then why doesn't she feel good? Lilly thinks if she can just lose a few more pounds all her troubles will melt away. With coffee for breakfast, her favorite foods on the NO EAT list, and her dog getting fat from the scraps she's feeding her under the table, Lilly is losing not only pounds, but herself. When Lilly collapses on the soccer field, she's forced to make one of the biggest decisions of her life. Will she continue to lie to everyone she loves to hide her little secret and maintain her distorted version of a perfect body or will she have the courage to fight for her life and see herself for more than the reflection in the mirror?

An unforgettable tale of a young woman trying to forget her past, and start her life over again. Our Little Secret is a gritty and moving saga of tragedy, hope and learning to love again, from bestselling author Rosie Goodwin. Perfect for fans of Cathy Sharp and Lindsey Hutchinson. 'A touching and powerful novel from a wonderful writer' - Bookseller At just twenty years old, Claire McMullen is the new owner of the Seabourne Hotel. She's a mystery to everyone around her - and that's how she wants to keep it. Abused as a child and forced to sell her body to survive, Claire has built a barrier around herself that she is sure no one will ever penetrate. But folks are curious about why such an attractive young woman would move to Blackpool to run a hotel. Where are her friends? Her family? Claire is determined to keep the truth from them all until she attracts the attention of wealthy businessman, Gregory Nightingale, and she finds her past coming back to haunt her... What Amazon readers are saying about Our Little Secret: 'I have read almost all of Rosie's novels and this one IS the best. It has everything. Love, tears, pain, action, emotion and a whole load more' 'This book is more than just a tear jerker. It reads almost like a biography. This book is a MUST for any reader of "saga" type fiction. Rosie's characters are as real as it is possible for them to be. The storyline grabs you and holds you with each turn of the page. In my opinion this is Rosie's best novel yet' Don't miss the sequel: Crying Shame.

Over the course of the first evening, liquor loosens inhibitions and lips. The three couples begin picking up on the others' marital tensions and work frustrations, as well as revealing their own. But someone says too much. And the next morning one of the women is discovered dead on the private beach. Town detective Gabby Watkins must figure out who permanently silenced the deceased.
