Former slave, impassioned abolitionist, brilliant writer, newspaper editor and eloquent orator whose speeches fired the abolitionist cause, Frederick Douglass (1818-1895) led an astounding life. Physical abuse, deprivation and tragedy plagued his early years, yet through sheer force of character he was able to overcome these obstacles to become a leading spokesman for his people. In this, the first and most frequently read of his three autobiographies, Douglass provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom. Published in 1845 to quell doubts about his origins - since few slaves of that period could write - the Narrative is admired today for its extraordinary passion, sensitive and vivid descriptions and storytelling power. It belongs in the library of anyone interested in African-American history and the life of one of the country's most courageous and influential champions of civil rights. A selection of the Common Core State Standards Initiative. Includes vintage photos, and illustrations!

In 1849, Henry Brown escaped from slavery by shipping himself in a three-foot-by-two-foot wooden crate from Virginia to an anti-slavery office in Philadelphia. Twenty-seven hours and 350 miles later, Brown stepped out of his box to begin a new life. This is his memoir, originally published in 1851 in England, as fresh and compelling today as it was 150 years ago. This extraordinary narrative paints an indelible portrait of life in slavery. With a keen sense of irony, Brown examines the "peculiar institution"--from the hypocrisy of slave-owning Christian preachers, to the system of bribery that forced slaves to purchase the rights to their own belongings, to the practice of separating slave families with no warning. The story also describes one of the most audacious, creative escapes ever completed. A classic slave narrative, it makes for unforgettable reading.

It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States.

Frederick Douglass was born into slavery in the state of Maryland. He was separated from his mother at an early age, and although she lived a mere 12 miles, he only met her a few times before her death when Douglass was seven years old. In his teenage years he taught himself to read, and started teaching his fellow slaves how to read the New Testament of the Bible. This was not looked well upon by the slave owning class. The beatings that followed nearly broke his spirit. However, he instead he resolved upon escape. After a number of unsuccessful attempts Douglass escaped to the northern states in 1838. His journey of escape from slavery in Maryland to New York City was assisted by members of the underground railroad, and took less than twenty-four hours to complete. is among the most remarkable slave narratives. Born on a Kentucky plantation in 1815, Bibb first attempted to escape from bondage at the age of ten. He was recaptured and escaped several more times before he eventually settled in Detroit, Michigan, and joined the antislavery movement as a lecturer. Bibb ' s story is different in many ways from the widely read Narrative of the Life of Frederick Douglass, An American Slave and Harriet Jacobs ' Incidents in the Life of a Slave Girl. He was owned by a Native American; he is one of the few ex-slave autobiographers who had labored in the Deep South (Louisiana); and he writes about folkways of the slaves, especially how he used conjure to avoid punishment and to win the hearts of women. Most significant, he is unique in exploring the importance of marriage and family to him, recounting his several trips to free his wife and child. This new edition includes an introduction by literary scholar Charles Heglar and a selection of letters and editorials by Bibb.
