Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion

File Type PDF Nclex Drug Study Guides

website, adding more 200 questions to the total on the previous edition.

UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE!

Appendixes for each chapter summarize medications and nursing procedures for quick reference.

Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales

File Type PDF Nclex Drug Study Guides

for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on

File Type PDF Nclex Drug Study Guides

Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

Who says studying has to be boring? The Illustrated Study Guide for the NCLEX-PN® Exam, 9th Edition?uses colorful drawings and mnemonic cartoons to bring difficult concepts to life and help you recall the content you need to know to excel on the NCLEX-

File Type PDF Nclex Drug Study Guides

PN examination. Written in a concise and visually appealing outline format, this book makes learning and studying easier and more fun. The companion Evolve website includes more than 2,000 NCLEX exam-style review questions, including alternate item and Next Generation NCLEX® formats, and allows you to personalize your study by creating practice exams, identifying strengths and weaknesses, and reviewing answers and rationales. Testing Strategies for the NCLEX-PN Examination chapter addresses the challenges of the Next Generation NCLEX® and provides targeted strategies for success. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. More than 2,000 review questions on the companion Evolve

File Type PDF Nclex Drug Study Guides

website are available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs.

Examples of Next Generation NCLEX-style questions on the companion Evolve website familiarize you with these new types of questions.

The most detailed, portable, and easy-to-use drug guide to help you pass the NCLEX-RN! Prospective nurses looking for the best guide on the market to help prepare them for the NCLEX-RN are turning to Kaplan. Nursing students are constantly on-the-go, and they need study materials that fit in with their busy lifestyle. Kaplan's NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam is the best pocket-sized and

File Type PDF Nclex Drug Study Guides

portable drug guide available for nursing students to assist in their preparation. In Kaplan's NCLEX-RN Drug Guide, you will find the focused, key information you need to learn about commonly seen medications on the test, including: Trade names, common names, phonetic pronunciations, and drug families for 300 frequently tested medications Detailed descriptions of nursing considerations and must-know side effects for each medication The latest Joint Commission-approved medical abbreviations for recording medication orders Kaplan teaches to the NCLEX-RN. We provide the tools students need to develop critical thinking skills to successfully answer exam-level questions. We review the nursing content that is frequently tested, but more importantly, we show students

File Type PDF Nclex Drug Study Guides

how to use this knowledge to make nursing judgments. This gives you the confidence and knowledge they need to walk into the exam prepared and ready to pass. With Kaplan's NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam, you know you are getting the most up-to-date, expert information available to prepare for the NCLEX-RN.

Corresponding to the chapters in McCuistion's *Pharmacology: A Patient-Centered Nursing Process Approach*, 10th Edition, this hands-on study guide offers engaging activities to help you review and remember essential nursing pharmacology. Exercises include study questions, case studies, and NCLEX-style review questions. This new edition also features alternate item format

File Type PDF Nclex Drug Study Guides

questions including multiple response, fill-in-the-blank calculations, and ordered response questions. It's an essential tool in helping you apply your knowledge of pharmacology to clinical practice, develop pharmacology-related clinical reasoning skills, and master safe drug administration.

NCLEX review questions include an alternate item format NCLEX-style question in each chapter along with a number of application-level questions throughout the workbook. Drug calculations chapter follows the outline of the main-text chapter to help you test your knowledge and skill in drug dosage calculation. Sample drug labels have been updated to reflect the latest drug labels from the main 10th edition text. Detailed case studies enhance your understanding of nursing responsibilities in therapeutic

File Type PDF Nclex Drug Study Guides

pharmacology. Answers for all exercises are provided at the back of the book to facilitate self-study.

Rationales are also included for all application-level questions and case study questions. Focus on safety includes a special icon that calls attention to questions related to safe patient care. NEW! Updated content incorporates updated drug labels, removal of discontinued drugs, updated case studies, and updated study questions to reflect all the updates that have been made to the 10th edition of the main textbook.

Not your typical study guide, this single resource contains all of the core information an undergraduate nursing student needs to know from the first day of nursing school through the NCLEX-RN. Written in a succinct, well-

File Type PDF Nclex Drug Study Guides

organized, easy-to-read format, the guide closely follows the standard nursing curriculum and is designed as a reference for every core nursing course. To maximize successful exam preparation, the text highlights in each chapter important material most likely to appear on the NCLEX-RN.

Chapters are organized in a clear, consistent format with information presented in friendly conversational style. For every disease presented there is a definition, triggers, symptoms, and nursing care. Nursing students will no longer be burdened with the substantial cost of purchasing individual study guides for each topic, since all of the information needed to master core nursing curriculum is contained in this compact and pithy resource. Key Features: Provides a complete, compact study resource for

File Type PDF Nclex Drug Study Guides

daily use in clinical and class settings

Designed to accompany students through all nursing school curricula and NCLEX-RN preparation

Condenses 15 separate study guides into one succinct volume Includes

separate chapters for all five core courses (Medical/Surgical, Fundamentals, Maternal/Child, Pediatrics, Psychiatric/Mental)

Identifies important material likely to appear on course tests and the NCLEX-RN with the "TQ" (test question) designation appearing next to appropriate content. Organized logically according to standard nursing curriculum Includes a definition, triggers, symptoms, and nursing care for every disease presented
