News from Nowhere and Other Writings by William Morris
About News from Nowhere and Other Writings. This volume illustrates the variety of William Morris's prose, while focusing on one theme: the earthly paradise. The "Nowhere" of News from Nowhere (1890) is England in 2102, an ideal pastoral society born out of revolution. It is as compelling a dream of the future as the nightmares of Brave New World and Nineteen Eighty-Four.

News from Nowhere and Other Writings by William Morris ...
News from Nowhere (1890) is a classic work combining utopian socialism and soft science fiction written by the artist, designer and socialist pioneer William Morris. It was first published in serial form in the Commonweal journal beginning on 11 January 1890. In the novel, the narrator, William Guest, falls asleep after returning from a meeting of the Socialist League and awakes to find himself in a future society based on common ownership and democratic control of the means of production.

NEWS FROM NOWHERE is a "utopian" novel, but that Morris could conceive it reflects on his intelligence, because the colossal ignorance of human nature it exhibits is both risible and repugnant. To keep this unmemorable fantasy in print likely means that you can't underestimate the bad taste of mindless idealists of any age and their willingness to buy books that second their silly views.
