## Nikola Tesla Libra

Nikola Tesla, was a Serbian inventor, electrical engineer, mechanical engineer and physicist. He is best known for his contributions to the design of the modern alternating current electricity supply system. He was born in the village of Smiljan, in the part of former Austria-Hungary that is now Croatia. He later became an American citizen. Tesla got his first job in Budapest in 1882, working at a telephone company. A few years later he moved to the United States. Even in his early life, he was
