What can a cultural history of the heartthrob teach us about women, desire, and social change? From dreams of Prince Charming or dashing military heroes, to the lure of dark strangers and vampire lovers; from rock stars and rebels to soulmates, dependable family types or simply good companions, female fantasies about men tell us as much about the history of women as about masculine icons. When girls were supposed to be shrinking violets, passionate females risked being seen as "unbridled," or dangerously out of control. Change came slowly, and young women remained trapped in double-binds. You may have needed a husband in order to survive, but you had to avoid looking like a gold-digger. Sexual desire could be dangerous: a rash guide to making choices. Show attraction too openly and you might be judged "fast" and undesirable. Education and wage-earning brought independence and a widening of cultural horizons. Young women in the early twentieth century showed a sustained appetite for novel-reading, cinema-going, and the dancehall. They sighed over Rudolph Valentino’s screen performances, as tango-dancer, Arab tribesman, or desert lover. Contemporary critics were sniffy about "shop-girl" taste in literature and in men, but as consumers, girls had new clout. In Heartthrobs, social and cultural historian Carole Dyhouse draws upon literature, cinema, and popular romance to show how the changing position of women has shaped their dreams about men, from Lord Byron in the early nineteenth century to boy-bands in the early twenty-first. Reflecting on the history of women as consumers and on the nature of fantasy, escapism, and "fandom," she takes us deep into the world of gender and the imagination. A great deal of feminist literature has shown women as objects of the "male gaze": this book looks at men through the eyes of women.

Tiny but perfectly-formed Dominica is one of the most naturally dramatic islands of the Lesser Antilles. This guidebook offers practical information on the growing health and wellness holidays, weddings and yachting parties as well as extended coverage of the rich cultural heritage

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1,1983. ‘ A song, so old and yet still famous ’ is a Malay expression of admiration for an exotic singing style, a musical contemplation on the beauty of nature, God, and love. The ghazal exists in manifold cultures all over Asia, Africa, and Southern Europe, and is intimately connected to Islam and its periphery. In each region, ghazals have been shaped into other expressions using imported features and transforming them into ‘ local art ’ . In the Malay world, ghazals come in various shapes and with different meanings. ‘ The song, so old ’ is the song that came before the proliferation of mass media. The first ghazals that were heard in the Malay world might have been those ghazals performed by Hindustani musicians traveling in Southeast Asia. However, later on, the ghazal ’ s development was additionally triggered by mass media, with technological progress enhancing change in urban entertainment and introducing new sources of further adaptations. In this context, the second half line of the lyrics mentioned, ‘ and yet still famous ’ , means that despite being old, the song is highly regarded as an art in itself. Malay ghazals are still attractive and musically demanding. They were traditionally not performed for mass appeal, but, rather, for a small knowledgeable audience that valued musical refinement and taste.

Former journalist Richard Harris celebrated his retirement by embarking on what he called a “ great daft adventure ” in his small Bongo campervan - trying to spend one night a week in his van for 52 consecutive weeks. So all through the summer, autumn, winter and spring – through sun, rain, gales, ice and snow – he set off once a week in his ancient Bongo van. Just because he could. He kept it up every week – despite badly injuring his back (when he fell over inside the van) on one trip, and breaking his leg (when he slipped on a patch of wet grass) on another. “ It started off just as a vague idea to occupy me in my retirement, ” he says, “ but that vague idea quickly grew into a mission and then an obsession. “ I would never have guessed it would turn into such a marvellous, exciting and, at times, emotional adventure. “ I ended up going to places I’d never dreamed of going, doing things I had never dreamed of doing and meeting people I’d never dreamed of meeting. ”

The self-proclaimed “ Hottest Band in the World, ” KISS is one of the most popular groups in the history of rock, having sold more than 100 million albums during their more than 40– year reign. With more gold albums than any other American band, they were inducted into the Rock and Roll Hall of Fame in 2014. KISS influenced a generation of musicians, from Garth Brooks and M 6 they Cr ü e to Nirvana and the Red Hot Chili Peppers. The original leather-clad, makeup-wearing line-up—Ace “ Spaceman ” Frehley, Gene “ Demon ” Simmons, Paul “ Starchild ” Stanley and Peter “ Catman ” Criss—and their classic hits “ Beth ” and “ Rock and Roll All Nite ” are forever etched in pop culture consciousness. This encyclopedia of all things KISS provides detailed information on their songs, albums, tours, television and movie appearances, merchandise, solo work and much more, including replacement members Eric Carr, Vinnie Vincent, Bruce Kulick, Mark St. John, Eric Singer and Tommy Thayer.

Calypso, with its diverse cultural heritage, was the most significant Caribbean musical form from World War I to Trinidad and Tobago Independence in 1962. Though wildly popular in mid-1950s America, Calypso--along with other music from "the island of the hummingbird"--has been largely neglected or forgotten. This first-ever discography of the first 50 years of Trinidadian music includes all the major artists, as well as many obscure performers. Chronological entries for 78 rpm recordings give bibliographical references, periodicals, websites and the recording locations. Rare field recordings are cataloged for the first time, including East Indian and Muslim community performances and Shango and Voodoo rites. Appendices give 10-inch LP (78 rpm), 12-inch LP (33 1/3 rpm), extended play (ep) and 7-inch single (45) listings. Non-commercial field recordings, radio broadcasts and initially unissued sessions also are listed. The influence of Trinidadian music on film, and the "Calypso craze" are discussed. Audio sources are provided. Indexes list individual artists and groups, recording titles and labels.

Exploring Toronto ’ s history through the stories of its most fascinating and shadowy deaths. If these streets could talk... With morbid tales of war and plague, duels and executions, suicides and sé ances, Toronto ’ s past is filled with stories whose endings were anything but peaceful. The Toronto Book of the Dead delves into these: from ancient First Nations burial mounds to the grisly murder of Toronto ’ s first lighthouse keeper; from the rise and fall of the city ’ s greatest Victorian baseball star to the final days of the world ’ s most notorious anarchist. Toronto has witnessed countless lives lived and lost as it grew from a muddy little frontier town into a booming metropolis of concrete and glass. The Toronto Book of the Dead tells the tale of the ever-changing city through the lives and deaths of those who made it their final resting place.

With entries on topics ranging from non-Western instruments to distinctive rhythms of music of various countries, this one-stop resource on global music also promotes cultural appreciation of other countries and cultural groups. A perfect resource for students and music enthusiasts alike, this expansive three-volume set provides readers with multidisciplinary perspectives on the music of countries and ethnic groups from around the globe. Students will find Music around the World: A Global Encyclopedia accessible and useful in their research, not only for music history and music appreciation classes but also for geography, social studies, language studies, and anthropology. Additionally, general readers will find the books appealing and an invaluable general reference on world music. The volumes cover all world regions, including the Americas, Europe, Africa and the Middle East, and Asia and the Pacific, promoting a geographic understanding and appreciation of global music. Entries are arranged alphabetically. A preface explains the scope of the set as well as how to use the encyclopedia, followed by a brief history of traditional music and important current influences of music in each particular world region. Presents information that is accessible for general readers but will also be useful to specialists and music scholars Examines music from a geographical and cultural viewpoint, allowing students to make cross-cultural comparisons Includes numerous sidebars and appendices that provide even more compelling information of interest to readers, such as information on top-selling artists and albums in various countries, biographies of well-known musicians, and other fascinating "fun facts" and statistics Supports the National Geography Standards and AP Human Geography topics by examining cultural patterns, experiences, and influences
