Oedipus is portrayed as a character of social conscience whose tragedy stresses the vulnerability of human beings whose suffering is brought on by a combination of human and divine actions. The central theme is the incest of Oedipus with his mother; and then, the killing of his father.

Oedipus the King. Mythology - CollegeTermPapers.com

The narrator feels that his heart is “ choosing its own path ” and that while fate may perhaps be written already, how he gets there is up to him. Relating this to Oedipus is interesting, because Oedipus himself was unable to separate fate from the actions that brought him to his fate, because they were one and the same. In addition, it was his fate to marry his own mother, and it seems from the play itself that this was a political marriage rather than anything else.
