On the Move, a brilliant autobiography, sheds considerable insight into the rest of his life, showing his 'human' side, including passions, strengths and weaknesses.

[On the Move: A Life: Sacks, Oliver: 9780804170932: Amazon ...](#)

On the Move is the second of two memoirs written by British neurologist Dr Oliver Sacks; the first book, Uncle Tungsten, is an account of Sacks' childhood growing up in England before the Second World War, with this book a recollection of Sacks' adulthood.

[On the Move: A Life by Oliver Sacks - Goodreads](#)

From its opening pages on his youthful obsession with motorcycles and speed, On the Move is infused with his restless energy. As he recounts his experiences as a young neurologist in the early 1960s, first in California, where he struggled with drug addiction, and then in New York, where he discovered a long-forgotten illness in the back wards of a chronic hospital, we see how his engagement with patients comes to define his life.

Book Summary: On the Move: A Life by Oliver Sacks

Sacks lived a very intriguing life, and he lays it all bare in his book, On the Move: A Life. As the title suggests, he lived his life moving from place to place, never meant to settle in one place, on one person, or one time.

On the Move : A Life - Walmart.com - Walmart.com

His autobiography, On the Move, emphatically confirms this psychological self-diagnosis. From racing his motorcycle at over 100 mph in the Grand Canyon to swimming in shipping lanes off City Island in New York to setting a weightlifting squat record of 600 pounds to ignoring a warning sign about a bull during a hike in Norway (“I thought this must be the Norwegian sense of humor”) to serious drug addiction, Sacks has indeed shown an extreme and almost lifelong devotion to immoderation.

On the Move: A Life - The Barnes & Noble Review

On the Move: A Life is the second autobiographical work by Oliver Sacks, and was published in 2015. It follows his first memoir, Uncle Tungsten, which told of his early childhood, his family’s background in medicine, and his burgeoning love of science. The London-born Sacks moved to New York City when he was in his thirties.

spreading the faith.

MICHAEL COOK: A life lived on the move | Gript

“On the Move is filled with both wonder and wonderments....Sacks’ discursive, revealing memoir chronicles his surprising route to becoming the bard of brain disorders. Pit stops along the way include his biker days (in which he went by his middle name, Wolf), avid weightlifting, experimentation with psychotropic drugs leading to amphetamine addiction, numerous brushes with death, lifelong passion for long-distance swims, and so many carelessly lost manuscripts you can’t help but wonder ...
