drawing or painting animals. Painting a nature is far more easier than drawing an animal and that is because of the liveliness you will have to create. When you are portraying a living animal in your painting, you will have to make it live with the touch of your brushes.

40 Outstanding Oil Paintings of Animals - Tail and Fur

In this three-part series, international wildlife artist Pip McGarry guides us through the creation of a wild African buffalo first spotted on the plains of the Maasai Mara. Painting animals in oil is not necessarily for the faint of heart. Many animals are fast moving creatures that have an instinctive distrust of man, whereas an oil painting can be a slow-moving process that takes several weeks to

Wild Animal Paintings | Fine Art
America

Animal prints painted on stones The easiest animal print to start with is a black and white cow. Just base coat a stone with white acrylic paint then add black splotches of various sizes and shapes. A tiger print is easily painted also. Base coat the stone with orange acrylic paint then add long, black squiggly or wavy shapes.
