Pakistan's Enduring Challenges - Combined Academic

"Pakistan's Enduring Challenges draws the portrait of a country trapped in its own contradictions, and where the search for security and status has only exacerbated existing fragilities and people's sense of insecurity. The book accurately describes the many tensions, domestic and external, that have led the country to become its own worst enemy, without ignoring the positive societal developments that have taken place in Pakistan's recent past.

Pakistan's Enduring Challenges - University of

Pakistan's Enduring Governance Challenges Asadullah Noonari. It is the quality and features of governance that translate the extent of peace and stability and prospects of economic development in a country. The word governance is derived from the Greek word [kubernain], meaning steering or piloting. It was also used by Plato concerning how to design a realm of rule.
