"Authentic parties, recipes, and pranks from the Dundies to Kevin's famous chili"--Title page.

Fall in love with the whimsical world of paper crafting and explore the never-ending possibilities of handmade paper art with this book. With a comprehensive introduction to various basic techniques, the text contains lots of tips, ideas and step-by-step instructions.

Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party favors, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like Parents and Vogue Knitting, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely transformative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.

AN AUTHORITATIVE GUIDE THAT EXPLAINS THE EFFECTIVENESS AND IMPLEMENTATION OF BOW TIE ANALYSIS, A QUALITATIVE RISK ASSESSMENT AND BARRIER MANAGEMENT METHODOLOGY From a collaborative effort of the Center for Chemical Process Safety (CCPS) and the Energy Institute (EI) comes an invaluable book that puts the focus on a specific qualitative risk management methodology – bow tie barrier analysis. The book contains practical advice for conducting an effective bow tie analysis and offers guidance for creating bow tie diagrams for process safety and risk management. Bow Ties in Risk Management clearly shows how bow tie analysis and diagrams fit into an overall process safety and risk management framework. Implementing the methods outlined in this book will improve the quality of bow tie analysis and bow tie diagrams across an organization and the industry. This important guide: Explains the proven concept of bow tie barrier analysis for the preventing and mitigation of incident pathways, especially related to major accidents Shows how to avoid common pitfalls and is filled with real-world examples Explains the practical application of the bow tie method throughout an organization Reveals how to treat human and organizational factors in a sound and practical manner Includes additional material available online Although this book is written primarily for anyone involved with or responsible for managing process safety risks, this book is applicable to anyone using bow tie risk management practices in other safety and environmental or Enterprise Risk Management applications. It is designed for a wide audience, from beginners with little to no background in barrier management, to experienced professionals who may already be familiar with bow ties, their elements, the methodology, and their relation to risk management. The missions of both the CCPS and EI include developing and disseminating knowledge, skills, and good practices to protect people, property and the environment by bringing the best knowledge and practices to industry, academia, governments and the public around the world through collective wisdom, tools, training and expertise. The CCPS has been at the forefront of documenting and sharing important process safety risk assessment methodologies for more than 30 years. The EI's Technical Work Program addresses the depth and breadth of the energy sector, from fuels and fuels distribution to health and safety, sustainability and the environment. The EI program provides cost-effective, value-adding knowledge on key current and future international issues affecting those in the energy sector.

The self-taught designer guides you through creating enchanting heirlooms—including a tooth fairy, pincushion girls, an elf, and a tiny flower sprite. You don't have to be a doll maker to enjoy crafting these little sweethearts. If you love to craft and sew, you'll have fun learning new techniques for creating a whimsical fairy, an impish elf, or a sweet pincushion girl. From fabric sculpting to face painting and all the finishing touches, every captivating detail of your doll will be appreciated for years to come. A charming gallery of variations for each project will inspire you to add distinctive character and personal flair to your creations. Create a special keepsake doll that your family will cherish for generations. Each of the four projects has complete head-to-toe instructions, including details for expressive faces, perfect hair, cute clothes, and an abundance of accessories. Perfect for both beginner and experienced doll enthusiasts—learn the basics, try new techniques, and sprinkle in your own unique embellishment style.

Life is filled with thrills—and sometimes a mass-produced, commercially available scrapbook just isn't exciting or unique enough for the events it's celebrating. What's a scrapbooker to do? Create something original! These 25 inventive projects offer expressive ways to preserve, showcase, and share the good times. Craft a book from recipe cards to preserve fond family food memories, from big holiday dinners to that precious time spent baking cookies with Mom. Make an album out of driftwood to commemorate a vacation by the beach. Stitch up a single-signature pamphlet out of old sewing patterns for a sewing or quilting journal; glue a cloth measuring tape into the cover to use as a bookmark. You won't find ideas like these anywhere else!

She's a scrapbooking celebrity, and now Anna Griffin, the well-known designer of stationery, invitations, and decorative papers, shares her ideas and insights with all crafters. Every image in this colorful compilation was inspired by cherished family traditions and the personal stories Anna has collected from scrapbookers everywhere; and every layout features a unique technique, embellishment, and palette to make it truly celebratory. From birthday traditions (such as a beautiful "strawberry pink" cake page in honor of Anna's mother) to family vacation postcards, there's something special for every occasion. The many memorable moments so beautifully commemorated include Easter (tabs reveal hidden photos), weddings (with a folded pocket for keeping love letters), and New Year's "champagne wishes."
