personnel planning  
within organizations  
and behavioral  
science approaches to  
organization design.  
From that context of  
corporate planning

Conceptually, this  
meant that an  
integrated approach  
was needed if all the  
dimensions of such  
problems within  
private and public  
organizations were to  
come out correctly.

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he

invasion of Panama.

All Bill's predictions were on record well before the events

occurred. Bill is not a psychic. His

information comes from Top Secret

documents that he read while with the

Intelligence Briefing Team and from over

17 years of thorough research. "Bill Cooper
