A Pollyanna è sempre bastato un sorriso per cambiare la realtà attorno a lei. E ora che è diventata una giovane donna la sua voglia di colorare la vita non è affatto diminuita. La sua luminosità raggiunge chiunque: riesce perfino a riaccendere di speranza la signora Carew, dopo la scomparsa dell'adorato nipote Jamie. Niente è impossibile per Pollyanna. Ma adesso che sta crescendo le cose iniziano a cambiare, e forse per la ragazza più radiosa del mondo è venuto il momento di pensare anche a se stessa.

Pollyanna, la bambina capace di rasserenare con un sorriso le persone più amareggiate, ora è una giovane donna... ma la sua voglia di aiutare gli altri non è diminuita! Con il suo carattere solare è riuscita persino a ridare speranza alla signora Carew dopo la scomparsa dell'adorato nipote Jamie. Il suo "gioco della contentezza" però sembra non funzionare più con la zia depressa... Ma per Pollyanna è arrivato il momento di pensare un po' a se stessa, al futuro e chissà, forse anche all'amore.

Pollyanna by Eleanor H. Porter was released in 1913 and immediately became the bestseller. Eleven-year-old Pollyanna Whiter becomes an orphan after the death of her father, poor pastor. Her mother died earlier. Only some books are left as a heritage from her father. The only relative Pollyanna has is a distant Aunt Polly, who Pollyanna hasn't ever seen and who didn't have any relations with the Whiters. Her sister, Pollyanna's mother, married a poor pastor against the will of her family. The aunt takes Pollyanna very cold. But the little girl is not upset because she has the game that her father invented and taught her how to play, "The Glad Game". It's an easy and at the same time rather intricate ability to fend something to be glad about in a smallest plety thing. Pollyanna Grows Up by Eleanor H. Porter that was published in 1915 is the sequel of the famous Pollyanna. Pollyanna, the favorite character of a lot of girls, grew up. And like any other young woman she fell in love. The young thing is going to live through joy and pain. And nobody knows how everything will end. But even during the most difficult times Pollyanna remembers her famous "glad game". Eleanor H.
