The power of now - Eckhart Tolle The Power Of Now Chapter 1 Breakdown (Part 1) Practicing The Power Of Now

I found this book very interesting written by a very wise person loved it. When you practice the power of now you feel very peaceful and relaxed and wonder why you get caught up in all the worries of the past and future. The now is a very empowering place to be. With practice (and you need to catch yourself on every now and then) you can feel free. Just watch little children play and watch how they enjoy the moment, the now. This book would make a great companion for young people during transition ...
