Most astrologers use a variety of techniques to “look into the future” of an individual. There are plenty of techniques used to make predictions — and plan — for the future. Here, are my preferred techniques- transits, secondary progressions, solar arc directions, solar return charts, and more. Transits, for example, challenge and pressure us to make changes in our lives and in our attitudes toward our lives.

Being able to forecast your future gives you a remarkable edge. Whether it's taking advantage of approaching opportunities or preparing for challenges that are heading your way, predictive astrology helps you maximize your innate potential—and make choices that will lead to a more satisfying life. The perfect companion to Llewellyn's Complete Book of Astrology, popular astrologer Kris Brandt Riske lends her signature easy-to-understand style to this definitive guide to predictive astrology. Step by step, she lays out clear instructions for performing each major predictive technique, including solar arcs, progressions, transits, lunar cycles, and planetary returns. She also provides a basic introduction to horary astrology, the method used to obtain answers to specific questions. Discover how to read all elements of a predictive chart and pinpoint when changes in your career, relationships, finances, and other important areas of life are on the horizon. To make learning even easier, this astrology book includes examples that illustrate major events in the lives of the author's clients as well as celebrities such as Marilyn Monroe, Jimmy Carter, Martha Stewart, and Pamela Anderson.

Demonstrates two of the best predictive methods offered by the world of astrology. The book presents the predictive accuracy of ancient Hindu astrology with the spiritually rich astrology of the west. The descriptions of western transits are comprehensive, eloquent, and profound; Hindu dasas have never been explained so clearly and insightfully. Through

western transits, the reader gains insight into the meaning and purpose of his or her changing experiences. Through Hindu dasas, the reader learns how to predict upcoming major events and to understand the overall direction of his or her life within dasas, planetary periods of between 6 and 20 years each. This is a must for all astrologers. It illuminates the practical affairs of human life as well as the underlying psychological and spiritual realities. This book carries astrologers a giant step beyond their usual predictive ability.

A comprehensive guide to understanding and practicing Vedic astrology, the art of jyotish. • Teaches beginners how to read and interpret Vedic astrology charts, based on their own birth chart as well as the birth charts of 112 notable people. • Shows how to use Vedic astrology to anticipate upcoming events and direct the cosmic energies of one's life toward a positive future outcome. For over 5,000 years the people of India have used jyotish, or Vedic astrology, to anticipate future influences and make major decisions. Now Andrew Bloomfield brings this increasingly popular tool to the West in an easy-to-follow, comprehensive format, providing the reader with everything needed to practice the Indian art of predicting the future. Vedic astrology was codified by the ancient Maharishis to help people achieve the four basic goals of human existence: kama (desire), artha (wealth), dharma (life purpose), and moksha (spiritual growth). Unlike other forms of astrology, Vedic calculations focus more on the primal, unconscious, driving forces linking our thoughts and actions. How to Practice Vedic Astrology shows how to make accurate predictions on when to expect life's changes concerning one's career, love life, children, or spirituality.
