The Knee Pro-Tec provides compression directly on the patellar tendon. This helps spread pressure uniformly across the patellar tendon, reducing discomfort and irritation. Compression helps stabilize patella (knee cap), by improving tracking. The Knee Pro-Tec absorbs stress to the knee by reducing vibrations in the femoral groove. Sizing Chart

Africa and finally professionals will find this a stimulating, well-documented summary."--John F. Eisenberg, Florida Museum of Natural History "We have seen in the field how very helpful and informative The Behavior Guide is. Our knowledgeable safari guides turned often to their prized and already well-thumbed copies, and we continue to refer to ours now that we are back home."--Douglas F. Williamson, Jr., National Council, World Wildlife Fund, U.S. "A fascinating, perceptive, and enjoyable travel companion heightens the pleasure of being afield. The Behavior Guide to African Mammals is that ideal companion. Lucid, accurate, and marvelously illustrated, the book is a basic reference for anyone interested in natural history."--George B. Schaller, author of The Serengeti Lion and The Deer and the Tiger "A remarkable review of what is known about the larger African mammals."--A.R.E. Sinclair, The Ecology Group, University of British Columbia

In the real estate world, the landlord usually holds the cards. It is the landlord who builds or buys the building, arranges the financing, constructs the interiors, as well as hires the leasing agent and property management company. The landlord writes the leases, and pays for the attorney to avoid the leases being changed. The landlord knows exactly how much money he will spend on construction, leasing commissions and

concessions; he knows exactly how much he will spend on operating expenses and exactly how much he will charge the tenants. Finally, in office leasing, there is a book designed specifically for the tenant a comprehensive weapon containing all the inside knowledge required to do more than just level the playing field with the landlord, but to actually grant the control to the tenant. The Tenant's Guerilla Guide to Office Leasing contains all the inside information to avoid landlord tricks, control many costly details and manage a lengthy process.

Offers advice on how to grow bulbs and describes the characteristics of more than 400 bulb plants.

This reference book is a complete guide to the trends and leading companies in the engineering, research, design, innovation and development business fields: those firms that are dominant in engineering-based design and development, as well leaders in technology-based research and development. We have included companies that are making significant investments in research and development via as many disciplines as possible, whether that research is being funded by internal investment, by fees received from clients or by fees collected from government agencies. In this carefully-

researched volume, you'll get all of the data you need on the American Engineering & Research Industry, including: engineering market analysis, complete industry basics, trends, research trends, patents, intellectual property, funding, research and development data, growth companies, investments, emerging technologies, CAD, CAE, CAM, and more. The book also contains major statistical tables covering everything from total U.S. R&D expenditures to the total number of scientists working in various disciplines, to amount of U.S. government grants for research. In addition, you'll get expertly written profiles of nearly 400 top Engineering and Research firms - the largest, most successful corporations in all facets of Engineering and Research, all cross-indexed by location, size and type of business. These corporate profiles include contact names, addresses, Internet addresses, fax numbers, toll-free numbers, plus growth and hiring plans, finances, research, marketing, technology, acquisitions and much more. This book will put the entire Engineering and Research industry in your hands. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.
