Straightforward and easy to read, 55 Answers to Questions About Life After Death satisfies that nagging, curious voice whispering from the corner of your mind. Story Behind the Book " Three key experiences in my life have come together to make this book a reality. First, as the pastor of a local church for thirteen years, I have had the privilege of visiting people who are facing imminent death, conducting funerals, and ministering to grieving families. During these times people often have probing questions about life after death. Second, due to my interest and writing in the area of Bible prophecy, I am frequently asked questions about the afterlife at conferences and via e-mail. Third, all kinds of books, TV shows, and groups out there today are fostering unbiblical views of life after death. Knowing that this is a subject of universal interest and great confusion, I have a passionate desire to create a user-friendly, clear, straightforward resource to answer all the key questions that people everywhere are asking about life ' s greatest mystery. "

How do I turn my life around? Why can't I get ahead? What exactly do I need to do to be happy and content in life? If you're searching for answers to any of these questions-or dozens of others like them-keep going. You won't find them in this book. In fact, you won't find them in any book, because, quite simply, there are no easy answers. You have to work to find them-and the answers are different for each individual. No Easy Answers is Barry Mangione's highly personal, profoundly inspirational account of how he transformed his life and went from being depressed, divorced, bankrupt, alcoholic, and on the verge of suicide to being a happy and successful husband, father, artist, and advocate. He offers his story as a source of hope and guidance, not as a step-by-step process or as the answer or secret to happiness. His story is framed around the questions that helped him transform himself and his life. By asking yourself these questions, you can begin to gain the self-awareness you need to achieve self-improvement. Emphasizing honesty, responsibility, and personal empowerment, this book helps you ask the questions with which to begin transforming your own life.
