Online Library Rape My Story

At lunchtime on Thursday, 6 March 1986, Jill Saward was viciously raped in her own home. Her father, the Reverend Michael Saward, Vicar of St Mary's, Ealing, and her boyfriend, David Kerr, were badly beaten. The senseless violence of what came to be known as the Ealing Vicarage Rape Case shocked the nation. The light sentences given to the rapists, partly because of what the judge saw as Jill's remarkable recovery from her trauma, also shocked the country. Here, she tells the story, with unflinching and dispassionate detail. She describes the insensitivity of the hospital doctor, the support and care of the police,

Online Library Rape My Story

the intrusiveness of the press, the ordeal of identity parades, and the kindness of some and cruelty of others.

This book is the best way I can describe what my life became following childhood sexual abuse and a very damaging and vicious male on male rape when I was a teenager. The story unfolds on a train trip across Australia when, quite by chance, I met a trained counselor with whom I connected. We talked for hours whilst traveling through the desert-like interior of this vast continent, my life story unfolding day by day, revealing a series of emotionally damaging traumas. Firstly my dad abandoned us when I was 6, leaving me vulnerable to the

Online Library Rape My Story

attentions of a pedophile at age 7. When I was 10 my granddad died in front of me from a massive heart attack and then the most damaging event of all happened when, at 16, I was viciously raped by 2 men in a public toilet. It was this last traumatic experience that sent me into what I term my '16 years in the wilderness'. I now know that I was suffering from 'Post Traumatic Stress Disorder' for all those years and suffered in silence until the breakdown forced me to seek help by speaking out and reconnecting with people. This story is basically one of recovery and how I managed to overcome my fear of people and crawl my way back to reality, face my demons and come to terms with all the traumatic events of my early

Online Library Rape My Story

life. Recovery is certainly possible one we start talking and sharing with others. It's the first step....A professionally-trained therapist, who has worked in the industry for over 25 years, has added valuable insights throughout this book. She also wrote the chapter towards the end of the book entitled 'Reflections', which is a complete summary of all her ideas, plus a short, but insightful, chapter on how she has had interpreted my dreams. Her insights have been invaluable to me in helping me to understand the reasons why I withdrew into the isolation of my own fantasy world following the rape. Hopefully these insights will also assist you, the reader, to see the value of speaking out and sharing your experiences.

Online Library Rape My Story

Startling, incisive and surprisingly funny, this is the true story of a woman who challenged stereotypes, the justice system, the police -- and won. On an August night in 1986, Jane Doe became the fifth reported woman raped by a sexual serial predator dubbed the Balcony Rapist. Even though the police had full knowledge of the rapist ' s modus operandi, they made a conscious decision not to issue a warning to women in her neighbourhood. Jane Doe quickly realized that women were being used by the police as bait. The rapist was captured as a result of a tip received after she and a group of women distributed

Online Library Rape My Story

2,000 posters alerting the community. During the criminal proceedings, Jane Doe became the first raped woman in Ontario to secure her own legal representation -- allowing her to sit in on the hearings instead of out in the hall where victim-witnesses are usually cloistered. As a result, Jane heard details of the police investigation normally withheld from women in her position, which revealed a shocking degree of police negligence and gender discrimination. When the rapist was convicted, the comfort was cold. In 1987, Jane Doe sued the Metropolitan Police Force for negligence and charter violation. It took eleven long years before her civil case finally came to trial --

Online Library Rape My Story

the rest is history. This extraordinary book asks the difficult question: Who benefits from rape? Popular ideas about rape still inform the way police and society behave around raped women. Despite decades of trying to rewrite the myths, the myths still exist, and they tell us that women lie about rape, that women enjoy it, that women file false rape reports to seek revenge and money. They tell us rape can be non-violent. They tell us that women can make good or bad rape victims or that women cannot be raped at all. They tell us nonsense -- and Jane Doe gives us a unique view on why. This is a book about rape that is not about being a "victim." It's about a woman who wanted to ensure that she, the

Online Library Rape My Story

person most involved, directed her case and the course of her life. It ' s about external elements colliding to provide a small window of redress for women who experience crimes of violence. Jane Doe was a test case -- the right woman in the wrong place at the right time -- and she made legal history. In *The Story of Jane Doe*, she asks us to challenge our own assumptions about rape and, in the process, surprises us with a story that is by turns sweet, tragic and fantastical. But most of all, this book celebrates what is most common in human nature -- our ability to overcome. " Rape stories are not new stories. They are as old as war, as old as man. Many bookstores have sections devoted to them, and I read them. I read

Online Library Rape My Story

them “ before, ” too. I have found most rape stories to be either chronicles of fear and horror, victim tales that make me want to run screaming from the page (although I do not). Or they are dry, academic or legal treatises on why rape is bad, written in language I must work to understand. Both are valid. But both somehow limit me from reaching a broader understanding . . . No book has ever reflected my lived experience of the crime. ” -- Jane Doe

A NEW YORK TIMES
BESTSELLER Know My Name is a
gut-punch, and in the end,
somehow, also blessedly hopeful.
--Washington Post Universally
acclaimed, rapturously reviewed,

Online Library Rape My Story

and an instant New York Times bestseller, Chanel Miller's breathtaking memoir gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter. (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and

Online Library Rape My Story

humor, this memoir will stand as a modern classic.

"This is an expanded version of 'An unbelievable story of rape' ... originally published on ProPublica (propublica.org) and co-published with the Marshall Project on December 15, 2015"--Title page verso.

Speaking out for the first time, the daughter of a close-knit Mormon family, who was held captive and repeatedly raped, recounts the constant fear she endured, her courageous determination to maintain hope, her dramatic escape and her transformation from victim to advocate. 250,000 first printing.

Darkness surrounded me before I

Online Library Rape My Story

had the chance to grow. My world was shattered by the explosions of war, and the abuses of everyone around me. With each new trauma I waited for it all to come to an end. No one could survive this. Still the sun rose on another tumultuous and torturous experience. As a child I learned that I was worth less because of my gender. As I learned to speak, to stand, it was proven to me again and again that I would never be safe. My body was to be used for the sadistic pleasure of others, my mind was to be filled with nightmares. It was only my soul that remained untouched. Despite my inability to shield my body from violence and rape, despite my inability to protect my mind from persistent trauma, my soul

Online Library Rape My Story

remained my own. The day I was forced into marriage, after only nine harrowing years of life, I knew I would be imprisoned and owned for the remainder of my life. When I had my first child at ten, still very much a child myself, I knew there was no escape. But through it all, I survived and blossomed.

A Little Girl Shattered is a true story about Rachael when she was between the ages of 6 to 9 years old she was groomed sexually abused and raped. She would later go on and testify against one of the men who has brutalized her, he was sentenced to prison for his crimes. Rachael faces the loss of her cousin being murdered when she was 8 years old. As a teenager

Online Library Rape My Story

she lost her father due to AIDS. Rachael has survived domestic violence and a brutal rape in 2016. This is her story about not losing hope, forgiveness, overcoming rape, learning to love herself and her willingness to fight. Rachael's story is one of resilience and the hope of a better future.

WARNING! This book tells my **TRUE STORY**, so there are passages you might find disturbing! **DON'T BUY THIS BOOK** if you don't want to **READ** a true story of **SEX, RAPING, INCEST, VIOLENCE** and **CHILD ABUSE!** This book is my own biography, which I want to share with the world. I prefer you don't ready it than judging me. Why am I **ADDICTED TO BEING RAPED?**

Online Library Rape My Story

Why do I feel loved when forced into INCEST? Why being ABUSED as a child changed my life completely? Why being the target of SEXUAL VIOLENCE has become my FANTASY? These are questions I am still trying to answer. SEX has become an unhealthy ADDICTION to me, that is why I would like to share my experience with YOU. In order to preserve my identity, I chose the surname "Ford" as my fictional surname. My name is indeed Emily, though. In this book I tell you how I have become ADDICTED TO BEING RAPED. TO BE RAPED is something I just can't live without anymore, so this material is my call for help, a way to try to understand myself and help you to understand women

Online Library Rape My Story

around the world that, just like me, have suffered CHILD ABUSE, been RAPED, been forced into INCEST as well as being the subject of many other kinds of VIOLENCE and SEXUAL FANTASIES. Again, DON'T BUY THIS BOOK if you don't want to read a TRUE STORY. I prefer you DON'T READ IT than judging me!
