--Damon Lindelof, Co-creator of "LOST" "To write a book about effective and inspiring communication is a challenge because it has to demonstrate what it advocates. Nancy Duarte has certainly done that. Compelling. Convincing. Utterly practical. This is a gem!" --Patrick Lencioni, President, The Table Group Author, "The Five Dysfunctions of a Team" "Few things excite me more than a great communicator--something I've wanted to be ever since I ran for president of the seventh grade. While I think I've come a long way on that journey, I never fully understood what it takes to be a world-class communicator until I read Nancy Duarte's "Resonate." Read this book, absorb this book, practice what it preaches, and you'll be on your way to being a great communicator. Thanks, Nancy." --Ken Blanchard, Co-author of "The One Minute Manager," Recipient of Golden Gavel Award

Presents practical approaches for developing an effective presentation, covering such topics as creating diagrams, displaying data, arranging elements, creating movement, and interacting with slides.

FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most

Where To Download Resonate Present Visual Stories That Transform Audiences

popular Web site on presentation design and delivery on the Net – presentationzen.com – shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

'Illuminate' demonstrates how, through the power of persuasive communication, one can turn an idea into a movement, as compared with the likes of Steve Jobs, Dr. Martin Luther King, Jr., Starbucks, IBM, and more.

Discusses how readers can make persuasive presentations that inspire action, engage the audience, and sell ideas.

There is an art to capturing a photo that tells a story. You need to

know what belongs in the frame and what to leave out, what to emphasize in the photo that adds to the story, and how to use light, shape, and color all to express meaning while lending aesthetic value to the image itself. Vincent Laforet-Pulitzer Prize-winning photographer and voted one of the "100 Most Influential People in Photography" by American Photo -gives a rare look into the art of photography through his lens as a master editorial and commercial photographer. This beautiful book contains full-color spreads, with scene details and technical information to help tell the visual stories of larger-than-life life events such as Hurricane Katrina, the Olympic Games, and the war zone of Pakistan. With over 100 photos included, you will gain important insights into how you can achieve similar looks—blending what the camera does with the stories you want to tell. Learn how the principles of photojournalism can be applied to telling stories with a single image. Use light, shape, and color to create rich photos that tell the story as well as add sensitivity to beauty and emotion. Learn how the relationship between foreground and background can be used to creatively produce images with strong impact, and choose lenses based on this discovery. Understand the value of an image and convey a more in-depth story of the subject in any genre of photography, including landscapes, close-ups, portraits, action shots, aerials, and more. Receive an up-close and personal view
