Richard Halliburton - Wikipedia

About the Book. Richard Halliburton ran away from his hometown in Memphis at the age of nineteen to lead an extraordinary and dramatic life of adventure. Against the backdrop of the Golden Age, the Roaring Twenties and the Great Depression, Halliburton¶s exploits around the globe made him the most famous adventurer travel writer of his time.

RICHARD HALLIBURTON

Writer, Lecturer, and World Traveler, Richard Halliburton published numerous books during his short lifetime. During his world travels, he visited exotic locales such as the Taj Mahal in India, climbed the Matterhorn, flew across the Sahara desert in a bi-winged plane, and swam the entire length of the Panama Canal.

Richard Halliburton (Author of The Royal Road to Romance)

It¶s difficult to construct a full personality from the books he wrote and edited so carefully for the public, but in his letters home to his parents, many of which are compiled in Richard Halliburton: His Story of His Life¶s Adventures, (1942), we get a glimpse into the psyche of a man who was constantly at odds with the conventions of the time. Though his books were always cheery and vigorous, he was in reality often lost in bouts of depression, self-doubt and bad health, spells of ...
