English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest...and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is...and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

A comprehensive and granular insight into the challenges of promoting rational medicine, this book serves as an essential resource for health policy makers and researchers interested in national medicines policies. Country-specific chapters have a common format, beginning with an overview of the health system and regulatory and policy environments, before discussing the difficulties in maintaining a medicines supply system, challenges in ensuring access to affordable medicines and issues impacting on rational medicine use. Numerous case studies are also used to highlight key issues and each chapter concludes with country-specific solutions to the issues raised. Written by highly regarded academics, the book includes countries in Africa, Asia, Europe, the Middle East and South America.

This book provides a practical, hands-on guide that provides you with a number of clear step-by-step exercises, which will help you take advantage of the power of LESS. What you will learn from this book: producing dynamic style sheets, or precompiling and including the final articles into your site's pages; using variables, functions, mixins, and operators in your LESS code; using JavaScript to produce styles in your LESS code; using LESS with other libraries, such as Modernizr; creating, importing, or using existing pre-built mixin libraries in your projects; using existing mixin libraries, or creating your own, that you can reuse in future projects.--Back cover.

A syndicated columnist and family psychologist outlines scripture-based principles for parents that recommend respect for others over self-esteem tactics, recommending a leadership approach to disciplinary methods that draws on traditional belief systems. 50,000 first printing.

For more related products like Golf log, Bucket List, and other everyday journals and planners are available for your use, kindly visit our Amazon author page; The waymaker Journals.

This book proposes a revisionist approach to democratic politics. Yaron Ezrahi focuses on the creative unconscious collective imagination that generates ever-changing visions of legitimate power and authority, which compete for enactment and institutionalization in the political arena. If, in the past, political authority was grounded in fictions such as the divine right of kings, the laws of nature, historical determinism and scientism, today the space of democratic politics is filled with multiple alternative social imaginaries of the desirable political order. Exposure to electronic mass media has made contemporary democratic publics more aware that credible popular fictions have greater impact on shaping our political realities than do rational social choices or moral arguments. The pressing political question in contemporary democracy is, therefore, how to select and enact political fictions that promote peace and how to found the political order on checks and balances between alternative political imaginaries of freedom and justice.

This is a comprehensive, one-stop online book relating to all areas of pregnancy and birth. The second edition of this easily searchable guide is edited by eminent experts in the field and includes new contributions from international authors. It will be an ideal reference for Maternal-Fetal Specialists and Generalists wanting an authoritative answer on any point. Key features: • Grouped in to six topics (modules) for convenience • Electronic search facility across all chapters • Approximately 700,000 words of text, 7000 references, 300 figures (including 100 in full colour), and 200 tables available to search Key topics: • All common pregnancy and birth related problems such as diabetes and pregnancy • Many rarer complications such as protozoan infections • Fetal assessment, which is absolutely central to MFM practice • Medico-legal aspects • Sickle cell disease — a major problem for patients of African descent New chapters include: • Recurrent early pregnancy losses • Invasive hemodynamic monitoring • Chronic and acute hypertension • Neurological disorders • Maternal obesity • Assessment of fetal genetic disorders • First and second trimester screening

What if the title, the estate, the life of security and splendor... what if it isn ' t enough? Strong-willed and beautiful, debutante Katherine Ramsey feels ready to take the London social season by storm, and she must. Her family estate, Highland Hall, has been passed to older male cousin Sir William Ramsey, and her only means of securing her future is to make a strong debut and find a proper husband. With her all-knowing and meddling aunt as a guide, Katherine is certain to attract suitors at the lavish gatherings, sparkling with Great Britain ' s elite. When a shocking family scandal sidelines Katherine, forcing her out of the social spotlight, she keeps a low profile, volunteering with the poor in London ' s East End. Here Katherine feels free from her predictable future, and even more so as a friendship with medical student Jonathan Foster deepens and her faith in God grows. But when Katherine is courted anew by a man of wealth and position, dreams of the life she always thought she wanted surface again. Torn between tradition and the stirrings in her heart for a different path, she must decide whom she can trust and love—and if she will choose a life serving others over one where she is served.
