If a product consists of a number of other products then it has a Bill of Materials (BOM). The BOM is a list of all the other products or sub-components that make up the final product or product assembly. In Sage 50 Accounts Plus and Sage 50 Accounts Professional you can create BOMs using up to 50 items.

[Ask Sage - Bill of Materials \(BOM\)](#)

Sage e-learning provides the skills you need to run Sage 50 Accounts. This flexible online course means you can log on and work online whenever suits you. This "Stage 1" course (the first a series of four training levels) is ideal if you are new to the software.
