After going through pregnancy at her side, listening to all the mumbo-jumbo jargon strangers in white coats spewed at me, just to have my woman do the exact opposite the minute we left their office- I decided to help my fellow man. "You never have to be without me, Laney, never." He lied...my everything I ever knew, trusted, wanted...I am, in fact, without him. On my own and out of my shell, I learn new things about life, friendship and...myself. Like what you've always known may not be what you've always wanted. Dane Kendrick awakened things within me that I never knew existed, unraveling and uncovering the real Laney Jo Walker. I'm a NEW adult...so is my story.

Sawyer Beckett does everything full throttle— he's fiercely loyal to his friends, always the life of the party and impossible for the parade of women in and out of his bedroom to forget. Surrounded by true love and happily ever afters, Sawyer's not sure if he's enhancing the what-ifs in his head, or if the goddess on stage that night really is worth the search and nagging in his chest. At the most inopportune moment possible, Emmett Young comes "skipping" back into his life...and for the first time, Sawyer is the one left wanting more. But Emmett can't give her heart; it's already committed—for life. The only one strong enough to bring the elusive playboy to his knees is the one he can't have. Luckily, Sawyer Beckett doesn't give up easily. Mature subject matter and strong sexual content- mature audiences only recommended. Book Three in the Amazon Bestselling Evolve Series by S.E.Hall, Entice can be read following Emerge, Embrace and Entangled (novella) or as a stand-alone.

When push comes to shove, can she trust Beck to do the right thing? Now that he understands the truth, Beck will stop at nothing to secure the reckoning Sela deserves. But between his desire for her and his disgust for JT, Beck doesn't exactly have a lot of control over his emotional state. Left with no other choice, he must summon all his discipline to maintain JT's trust and pretend that they're still friends. But how far will Beck go to prove his loyalty to Sela? He nearly lost her once. To keep her, Beck might have to kill for her. USA TODAY BESTSELLER • “This book devastated me in the most wonderful way,” raves Meredith Wild. In Sugar Daddy, the author of the Cold Fury series proves that vengeance is sweet—but seduction is to die for. Sela Halstead lost her innocence in a way that no sixteen-year-old should ever have to endure. She’s spent years trying to forget that night even while wondering about the identities of the monsters who brutalized her—until a telltale tattoo flashes across Sela’s TV screen. The incriminating ink belongs to Jonathon Townsend, the millionaire founder of The Sugar Bowl, a website that matches rich older men with impressionable young women. Obsessed with revenge, Sela infiltrates Townsend’s world, only to come face-to-face with a tantalizing complication: Beckett North, his charismatic business partner. The tech mastermind behind The Sugar Bowl, Beck always gets what he wants, in business and in bed. And yet, for a man who’s done every dirty thing imaginable, there’s something about the naïve, fresh-faced Sela that sparks his hottest fantasies. Because with her, it’s not just about sex. Beck opens up to her in ways he never has with other girls. So why does he get the feeling that she’s hiding something? In a world of pleasure and power, the shocking truth could turn them against each other—or bind them forever. MUST HATE DOGS Do you hate dogs? Only want to talk about yourself? Is having a sense of humor something you've never been accused of? Think eating for pleasure is a complete waste of time? Agree that tipping is for suckers? Then you're the date for me. Dixon Beckett is the kind of guy who loves his mama, treats women right, and never ever wants to fall in love again. That's why he'll do anything to win a bet to be the last single man standing by Christmas. He's got a plan, too. Create the most no-good, horrible, very bad dating profile in existence. Only someone actually responds to his ad... The rules say he has to go on six dates with the first (or in his case, only) person who answers—even if that person is Fiona Hartigan: Hater of dogs, non-lover of any delicious food, and zero sense of humor. But something feels off about this pariah. In fact, Dixon is almost positive Fiona is just pretending to be awful. Pretending to be the most horrible date in existence. And she's most definitely pretending to not be as interested in him as he is in her. The more Dixon Beckett starts to unravel the mystery of why Fiona answered his ad in the first place, the more he starts considering the most vile, awful, terrible idea ever...falling in love.
