Schizo A Novel By Nic

Schizo tells us a story of Miles, a schizophrenic who suffers from the guilt of his missing brother. In this book we are given access to what he is thinking and experiencing. The feeling of paranoia that Miles faced managed to put me on edge too. This book is a bit of a roller coaster for me.

Schizo by Nic Sheff - Meet your next favorite book

Superb! Schizo is an engrossing story of unforgettable, tough yet tender characters. Nic Sheff ' s storytelling remains strong and descriptions vivid as he makes the transition from memoir to fiction. He ' s perfectly captured the voice of his leading character ' Miles ' - sensitive, intelligent, confused about the chaos in his own world.
