Number of Exhibits: 13 Received document entitled: APPENDIX OF FOREIGN CASES IN SUPPORT OF APPELLANT'S OPENING BRIEF

The Sea Survival Manual is the definitive book on the subject for anyone aboard a yacht of any size. It is aimed at the yachtsman or seafarer who is likely to proceed to sea out of the sight of land, whether for pleasure or professional reasons. Fully compliant with the IMO (International Maritime Organisation) resolutions and MCA (Maritime Coastguard Agency) regulations it embodies Sea Safety checks issued by the MCA and RNLI and is completely international in its appeal. Includes chapters on safety and survival equipment, Global Maritime Distress and Safety Systems (GMDSS), liferafts, grab bags, medical equipment and advice, first aid and emergency treatment, abandoning ship, survival in a liferaft and rescues at sea. This is the first modern book to tackle the subject from the small craft point of view.

This publication provides an overview of the importing process and contains general information about import requirements. This edition contains much new and revised material brought about because of changes in the law, particularly the Customs Modernization Act. The Customs modernization provisions has fundamentally altered the process by shifting to the importer the legal responsibility for declaring the value, classification, and rate of duty applicable to entered merchandise.Chapters cover entry of goods, informed compliance, invoices, assessment of duty, classification and value, marking, special requirements for alcoholic beverages, motor vehicles and boats, import quotas, fraud, and foreign trade zones.In addition to the material provided by the U. S. Customs Service, the private commercial publisher of this book has provided a bonus chapter on how to build a tax-free import-export business.

Tom Hatcher is a wanted man, dead or alive. Hunted by a crazed Colombian drug lord and hounded by rogue elements within MI6 and the DEA he has nowhere to turn and no one to trust. The soldier of fortune finds himself in a desperate struggle for his life and a race against time to save the one person in the world he loves. With no way to escape the circle tightening around him, Tom fights back. The ex-soldier faces ruthless enemies who follow no rules of engagement and he can't face them alone. But, who can he trust? Enemies become allies and friends become foes as he tries to unravel the web of deceit and intrigue that shields his adversaries. Inspired by real life events, and in the best Ludlum traditions, this edge-of-the-seat thriller is full of twists and turns that will keep you turning the pages until the final thrilling conclusion.
