practical advice to teachers, with hands-on classroom tasks included in every chapter. Readers will be able to:

- Understand the link between language use, linguacultural diversity, and multilingual identity
- Identify possible causes of learner errors and choices in intercultural communication
- Understand applied linguistics theories that support culturally sensitive classroom practices
- Develop a pragmatics-focused instructional component, classroom-based assessments, and curricula
- Help learners to become more strategic about their learning and performance of speech acts
- Incorporate technology into their approach to teaching pragmatics

This book aims to close the gap between what research in pragmatics has found and how language is generally taught today. It will be of interest to all language teachers, graduate students in language teaching and linguistics, teacher educators, and developers of materials for teaching language.

In this Second Edition of her bestseller, Christine Sleeter and new co-author Judith Flores Carmona show how educators can learn to teach rich, academically rigorous, multicultural curricula within a standards-based environment. The authors have meticulously updated each chapter to address current changes in education policy and practice. New vignettes of classroom practice have been added to illustrate how today's teachers navigate the Common Core State Standards. The book's field-tested conceptual framework elaborates on the following elements of curriculum design: ideology, enduring ideas, democratized assessment, transformative intellectual knowledge, students and their communities, intellectual challenges, and curriculum resources. *Un-Standardizing Curriculum* shows teachers what they can do to "un-standardize" knowledge in their own classrooms, while working toward high standards of academic achievement. **Book Features:** Classroom vignettes to help teachers bridge theory with practice in the context of commonly faced pressures and expectations. Guidance for teachers who want to develop their classroom practice, including the possibilities and spaces teachers have within a standardized curriculum. Attention to multiple subject areas and levels of schooling, making the book applicable across a wide range of

teacher education programs. A critique of the tensions between school reforms and progressive classroom practice. "This second edition is a game changer for educators interested in powerful curriculum engineering to support new century students" –H. Richard Milner IV, Helen Faison Endowed Chair of Urban Education, University of Pittsburgh "This text breaks new ground with a timely contribution that provides solid, potentially emancipatory grounding for a new, inclusive, research-based vision of curriculum, assessment, schools, and society." –Angela Valenzuela, author "This is a book that teachers, teacher educators, policymakers, and researchers will continue to return to for guidance and inspiration." –Dolores Delgado Bernal, University of Utah

This highly practical guide offers a systematic approach to instruction in the three main writing genres--narrative, persuasive, and informative--that students in grades 3-5 are expected to master. Ready-to-use lesson plans and materials are grounded in research on strategy instruction and self-regulated learning, and connect with learning standards. Presented are ways to teach students strategies for planning, drafting, evaluating, revising, editing, and publishing writing in each genre, while making connections between reading and writing.
