Shaping the Future: Leadership Skills for an Uncertain World Shaping The Developing World The

Shaping the Developing World: The West, the South, and the Natural World, by Andy Baker, attempts to answer this thorny question using a threefold framework to categorize and analyze the factors that cause underdevelopment—from the consequences of colonialism, deficient domestic institutions, and gender inequality to the effects of globalization, geography, and environmental degradation. Country case studies at the end of chapters offer an ideal testing ground for the threefold framework ...
