Short Sales The Raw Truth Of Closing A Short Sale ...

A short sale is a sale of a property where the proceeds of the sale are less than the balance owed on the mortgage loan. Short sale fraud schemes come in different guises, but a few are more common than others. Short sale buyers and sellers should be on the lookout for the three scams discussed in-depth here.

The RAW Truth. \$ 49.95. The RAW Truth is the story of two sisters - Annah Stretton and Rebecca Skilton - who chose to immerse themselves in the lives of a group of women who came from a very different world to their own; a world filled with hardship, abuse, crime, under-education and unemployment. They dared to believe that a life of crime could become a life of promise with right amount of support and heart and set up a charity called RAW to make that happen.

"Integrates new resources and tips on the raw foods lifestyle into a repackaged edition of this raw foods recipe book"--Provided by publisher.

This step by step guide assists home owners who owe more than the property is worth, and the Realtors who represent them, in negotiating through the legal and financial maze of the short sale. The book includes forms, scripts and guidelines to help avoid foreclosure.

Celebrated yoga teacher and activist Seane Corn shares pivotal accounts of her life with raw honesty-enriched with in-depth spiritual teachings-to help us heal, evolve, and change the world "My first lessons in spirituality and yoga had nothing to do with a mat, but everything to do with waking up. They included angels, seeing God, and being in Heaven. But, believe me, not the way you might think." So begins Revolution of the Soul. What comes next reads like a riveting memoir filled with uncensored moments of joy, pain, wonder, and humor. Except, this book is so much more than that. Seane's real purpose is to guide us into a deep, gut-level understanding of our highest Self through yoga philosophy and other tools for emotional healing-not just as abstract ideas but as embodied, fully felt wisdom. Why? To spark a "revolution of the soul" in each of us, so we can awaken to our purpose and become true agents of change. Just a few of the stops along the way include: The everyday "angels" Seane finds in the gritty corners of New York's 1980s East Village; her early struggles as a total yoga-class misfit; the profound shadow work and body-based practices that helped her to heal childhood trauma, OCD, unhealthy behaviors, and relationship wounding; hard-earned lessons from some of the most heartbreaking places on the planet; and many other unforgettable teaching stories.

A blunt wake-up call to salespeople and sales leaders that debunks the myths of the latest miracle solutions and refocuses your sales strategy on a proven approach that will drive the results you want. Can you handle the truth? Can succeeding in sales be as simple as hooking up the latest CRM tool or perfecting your social media profiles and waiting for qualified leads to automatically show up in your inbox? Are you having trouble believing what the new self-proclaimed "experts" keep posting on LinkedIn and beginning to question their proclamation that everything in sales has changed? Welcome to the world of sales, where the one constant you can bank on is the noise from so-called experts and thought leaders who want to convince you everything has changed and that you need their latest tools, toys, or tricks to stay even or get ahead of the pack. Yet, ironically, it seems that the more of these new miracle solutions you adopt, the harder it is to get results. In Sales Truth, Mike Weinberg offers a blunt wake-up call to salespeople and sales leaders on how to get past the noise and nonsense, so you can start winning more New Sales. Here's the truth: Many of these so-called sales experts lack clients, credibility, and a track record of helping sellers achieve breakthrough results. The number of "likes" a sales improvement article receives is often inversely proportional to its accuracy or helpfulness to the typical seller or sales team. What has worked exceedingly well in sales and sales management for the past couple of decades is still the (not so) secret to sales success today, and you can discover these accessible, simple truths and best practices that will drive the results you want in this bold new book. Mike Weinberg, bestselling author of New Sales. Simplified. and Sales Management. Simplified., brings sanity back to the sales effectiveness table by sharing proven strategies that he sees working firsthand across sales teams in a myriad of industries around the globe. Stop looking for the shortcut or secret sales sauce and instead apply Weinberg's proven, powerful principles to help you master the fundamentals of professional selling and create more new sales opportunities than you ever believed possible.

Be sure to check out IRON AMBITION: My Life with Cus D'Amato by Mike Tyson "Raw, powerful and disturbing-a head-spinning take on Mr. Tyson's life."-Wall Street Journal Philosopher, Broadway headliner, fighter, felon-Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time-and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet-even after hitting rock bottom-the man who once admitted being addicted "to everything" fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

#1 NEW YORK TIMES BESTSELLER • The compelling, inspiring, and comically sublime story of one man's coming-of-age, set during the twilight of apartheid and the tumultuous days of freedom that followed NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Michiko Kakutani, New York Times • USA Today • San Francisco Chronicle • NPR • Esquire • Newsday • Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother-his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. Praise for Born a Crime "Compelling . . . By turns alarming, sad and funny, [Trevor Noah's] book provides a harrowing look, through the prism of Mr. Noah's family, at life in South Africa under apartheid. . . . Born a Crime is not just an unnerving account of growing up in South Africa under apartheid, but a love letter to the author's remarkable mother."-Michiko Kakutani, The New York Times

In this book I have written about some aspects of the war which, I believe, the world must know and remember, not only as a memorial of men's courage in tragic years, but as a warning of what will happen again--surely--if a heritage of evil and of folly is not cut out of the hearts of peoples. Here it is the reality of modern warfare not only as it appears to British soldiers, of whom I can tell, but to soldiers on all the fronts where conditions were the same.

A devotional for teens presents a New Testament story, a description of the discipleship trait it presents, a modern-day application, brief analysis, scriptural references for further reading, and questions to consider, for each of thirty days. Original.

THE NEW YORK TIMES BESTSELLER From the Civil War to our combustible present, White Rage reframes the continuing conversation about race in America, chronicling the history of the powerful forces opposed to black progress. Since the abolishment of slavery in 1865, every time African Americans have made advances towards full democratic participation, white reaction has fuelled a rollback of any gains. Carefully linking historical flashpoints - from the post-Civil War Black Codes and Jim Crow to expressions of white rage after the election of America's first black president - Carol Anderson renders visible the long lineage of white rage and the different names under which it hides. Compelling and dramatic in the history it relates, White Rage adds a vital new dimension to the conversation about race in America. 'Beautifully written and exhaustively researched' CHIMAMANDA NGOZI ADICHIE 'An extraordinarily timely and urgent call to confront the legacy of structural racism' NEW YORK TIMES BOOK REVIEW 'Brilliant' ROBIN DIANGELO, AUTHOR OF WHITE FRAGILITY
