Spellbound by My Charmer is the fifth book in the Linked Across Time series. This is Zane and Callista's story after she travels forward in time from 1818 to 2017. A short book, it is well written with drama, intrigue, twists, and romance. The characters are wonderful and have great chemistry. I would love to read more of this fascinating series.

Spellbound by My Charmer is a continuation of some characters we have met in previous stories. In this story, Lady Callista Lyon, the Countess of Marin, has fallen forward through time will attempting to exact revenge on the man she believes killed Edward, her love and the first Duke of Weston. In the melee Callista is injured.
