The book I read was called Stepping on the Cracks by Mary Downing Hahn. This book takes place at College Hill (now named College Park) from 1944 to 1945. The story was told from Margaret's perspective (the main character) and is about how she and her friend Elizabeth have to deal with bullies, the relentless war with the Nazi's and the Japanese, and her brother who had been drafted.

Stepping on the Cracks eBook by Mary Downing Hahn ...

Stepping on the Cracks definitely felt that way! I enjoyed the elements of patriotism and the window into family life when a member is missing while away "at war". I rarely rate a book with 5 stars, but I had to give this one five, both on the audible site & also on Goodreads.com.
