Beat the Bad Guys. Take their powers. Save the world. When Mickey stepped into that bar, he never expected to find out he was the most powerful superhero the world had ever seen. But when footage of him beating up the strongest hero, and biggest bully, in the tristate area goes viral, suddenly the world can't get enough of him. Now villains are challenging him, the hero society is ringing his line off the hook, and the endorsements? Well, they're second only in size to his burgeoning fan club. And since none of their super powers work on him, he's never been closer to the top than ever before. There's just one problem. The world's greatest villain has returned from the dead, and he's set his sights on making Mickey his first victim. Please Note: This novel contains a harem. You have been warned.

A ragtag group of young superheroes takes on a powerful warrior who is transported from four thousand years in the past to enslave the modern world.

Fans of the hit TV show Heroes will love Quantum Prophacy! Ten years ago, all the superhumans vanished. No one knows what happened to them--until now. Thirteen-year-olds Danny and Colin are shocked to discover that they are in fact the beginning of a renewed superhuman race. As they rise to take the place of the lost generation, the unimaginable truth behind the explosive final battle that occurred ten years ago between the superheroes and the supervillains is exposed. And when the past resurfaces, Danny and his fellow superheroes must face the new challenges that threaten their survival. On the run from everyone, and not knowing who is friend or foe, the one ability the new heroes are going to need most is the power to distinguish good from evil.

In a near-future world of genetically engineered super-humans inspired by classic comic book heroes, Troubleshooter Emerald Blair helps to restore order to unstable space habitats in the Asteroid Belt only to find her loyalties tested by rival factions.

Recounts the history of the misunderstood villain called Brown.

The Super Human Humans is a sci fi adventure novel that tells the tale of a superhero named Jason and his accomplices who fight for the freedom and protection of the Earth.

Superheroes aren't born, they're made. But they can be broken... Hugo continues his superhero training, eager to join the good fight. But when a deadly new enemy strikes close to home, he's forced to make a choice: become the hero he wants to be, or the hero his city needs. After exposing Titan's murderer, Quinn's next story explores the world of teen superheroes. And the deeper she digs, the more layers of corruption she uncovers. Greyson is a wanted fugitive, hiding out on foreign soil. But if he doesn't learn the rules, his refuge will become his grave.Their fates will shape the next generation of heroes...and villains. Grab your copy of Generation Next, Book Three of The Pantheon Saga! WARNING: This novel contains profanity, ligers and explosive superhero action. If you need a safe space from profanity, ligers or explosive superhero action, this novel might not be for you.

Ruth doesn't want to be famous, she just wants to be seen and accepted for who she is. And she is prepared to defy her father to take part in a Hero talent show to create a new team for Element City. However she doesn't count on a team of villains from the 1970s waking themselves up in order to bring Havoc to the present day. Neither do Martin and Hayley, who inadvertently stumble upon their plot and find themselves risking their lives to save the villain's ultimate target: the TV show's contestants.

The fourth installment of the critically acclaimed Super Human series The defeat of the near-invincible villain Krodin has left a void in the superhuman hierarchy, a void that two opposing factors are trying to fill. The powerful telepath Max Dalton believes that the human race must be controlled and shepherded to a safe future, while his rival Casey Duval believes that strength can only be achieved through conflict. Caught in the middle is Lance McKendrick, a teenager with no special powers, only his wits and the tricks of a con artist. But Lance has a mission of his own: Krodin's ally, the violent and unpredictable supervillain Slaughter, murdered Lancel's family, and he intends to make her pay. For fans of Steelheart and The Avengers, Hunter is an action-packed superhero story that is hard to put down. Praise for HUNTER ¶No one writes superheroes as good as Michael Carroll. With Hunter, Michael takes his flawed, all-too-human superheroes to the next level. One of my favorite series.¶Michael Scott, author of The Secrets of the Immortal Nicholas Flamel series ¶[HUNTER] is fast paced, exciting, and extremely difficult to put down . . . its unexpected, jaw-dropping ending guarantees anticipation for the next entry.¶VOYA ¶A flurry of odd jobs (including time in a carnival), a brief romantic fling, and an intriguing epilogue make this appealing to all sorts of readers, and as always, Carroll delivers a super story.¶Booklist

They'd done it. Not only had Roz, Abby, Lance, and Thunder survived their first battle with a super villain, they'd defeated him. Krodin was dead, and they had saved the world. Now everything could go back to normal--good old, boring normal. School. Parents. Friends. But three weeks later, the world suddenly changes. The United States is under martial law, the people are little more than drones, and where Central Park should be there now stands a massive glass-and-steel building, home to the all-powerful Chancellor. In Michael Carroll's follow-up to the acclaimed Super Human, the world has been remade in the Chancellor's image, and it's about to get much much worse. Only this young band of heroes has a chance of stopping him, but can they return the world to what it was, or will they be stranded in this alternate world forever?
