"HOW DOES EDMONDS Real-World Examples The text provides a variety of thought-provoking, real-world examples of financial and managerial accounting as an essential part of the management process. The names of the real-world companies used in these examples are high-lighted in blue font to facilitate their identification. The Curious Accountant Each chapter opens with a short vignette that sets the stage and helps pique student interest. These pose a question about a real-world accounting issue related to the topic of the chapter. The answer to the question appears in a separate sidebar a few pages further into the chapter. Focus on International Issues These boxed inserts expose students to international issues in accounting. "The Curious Accountant and Real-World Examples, all make the text better and would make it a pleasure to teach from." VIVIAN WINSTON, INDIANA UNIVERSITY"--

Survey of Accounting, 3rd edition, is designed to cover both financial and managerial accounting in a single 16-week course, presenting the material in a style easy for non-accounting majors to grasp. It incorporates the same pedagogical innovations that have made Edmonds' financial and managerial titles such fast-growing successes in the marketplace, including his unique Horizontal Financial Statements Model and a multiple accounting cycle approach that demonstrates the impact of related events over a series of accounting cycles.

Warren's SURVEY OF ACCOUNTING, 8E provides future managers, leaders and professionals with an overview of the basic topics of financial and managerial accounting. The book's unique Integrated Financial Statement Framework illustrates the impact of transactions on financial statements without the use of detailed rules and procedures involving debits and credits. Additionally, this edition also introduces and incorporates Warren's Metric Analysis to link transactions and management decisions to metrics that assess the financial condition and performance of businesses - demonstrating the impact of transactions and management decisions on business.
