Rule 47.7 - Citation of Unpublished Opinions, Tex. R. App ...

Unlike the federal government and all other states except Oklahoma, Texas has two higher appellate courts, the Supreme Court of Texas for civil matters and the Texas Court of Criminal Appeals for criminal cases. Rules of civil evidence and procedure are promulgated by the state Supreme Court and sometimes supplemented by legislative act. Most rules of criminal procedure are provided by statute, although rules of criminal evidence and criminal appellate rules are judicially promulgated.

THE RULES IN THIS BOOKS ARE CURRENT AS OF SEPTEMBER 22, 2019.

The Fundamentals of Texas Trial Practice is comprehensive in that it covers trial preparation, making and responding to objections, jury selection, making an opening statement, conducting direct and cross-examination, impeaching and rehabilitating witnesses, offering and opposing exhibits, direct and cross-examination of expert witnesses, the court's charge to the jury, and closing arguments. As is true of a good trial lawyer, Fundamentals of Texas Trial Practice is brief and simple. Its coverage of the subjects of trial practice is succinct, direct and clear, and focuses on the fundamentals that are essential to being an effective trial lawyer. Each chapter contains cross-references to other chapters to enable the reader to perceive the progression of a trial and integrate its various parts into a coherent whole. At the end of each chapter is an extensive bibliography to relevant parts of leading treatises on trial advocacy. In sum, the Fundamentals of Texas Trial Practice is a valuable resource for both the novice and the seasoned veteran trial lawyer alike.
