The Berlin-Baghdad Express: The Ottoman Empire and Germany's Bid for World Power is a book by Sean McMeekin, first published in 2010. It looks at efforts made by Imperial Germany during the First World War to use its connections with the Muslim world to defeat the British Empire, including directing an Islamic jihad against it.

The Berlin-Baghdad Express - Wikipedia

The Berlin-Baghdad Express is a fascinating account of western interference in the Middle East and its lamentable results. It explains and brings to life a massive area of fighting, which in most other accounts is restricted to the disaster at Gallipoli and the British invasions of Iraq and Palestine.

The Baghdad railway, also known as the Berlin–Baghdad railway, was built from 1910 to 1940 to connect Berlin with the then Ottoman city of Baghdad, from where the Germans wanted to establish a port on the Persian Gulf, with a 1,600 kilometres line through modern-day Turkey, Syria, and Iraq. Completion of the project took several decades and by the outbreak of World War I, the railway was still 960 km away from its intended objective. The last stretch to Baghdad was built in the late 1930s ...
