## Army

~~The Boer Army 1899-1902~~

The Second Boer War (11 October 1899 - 31 May 1902), also known as the Boer War, Anglo-Boer War, or South African War, was fought between the British Empire and two independent Boer states, the South African Republic (Republic of Transvaal) and the Orange Free State, over the Empire's influence in South Africa. The trigger of the war was the discovery of diamonds and gold in the Boer states.

From October 11, 1899, until May 31, 1902, the Second Boer War (also known as the South African War and the Anglo-Boer War) was fought in South Africa between the British and the Boers (Dutch settlers in southern Africa ). The Boers had founded two independent South African republics (the Orange Free State and the South African Republic) and had a long history of distrust and dislike for the British that surrounded them.

A prolific author, his books include Waterloo 1815: The British Army's Day of Destiny and many others on military and naval subjects covering the 18th to the 21st centuries.

Holding a particular interest in insurgency and counterinsurgency, his wider work for the UK Ministry of Defence on these subjects regularly takes him to Africa, the Middle East and South America.

Army - Boer War: 1899-1902. The Boer War was fought between 1899 and 1902. It spans the pre- and post-Federation period. Therefore, records may be held by state government archives or by the National Archives. Usually, colonial period records are held in state government archives. Post-Federation records are held by the National Archives.
