The Chronicles Of The Wars

Shao Xuan joins a friend in his expedition to a recently discovered archaeological cave. After he picks up an ordinary looking stone he is teleported to a different world and wakes up in the body of a small orphan child. The world he is in now is still in its stone age with primitive tools made of stone and the ways of the people are savage. Savage isn't the only thing special about the ...

The Chronicles of Ursh documented the long and bloody events leading up to the outbreak of the Unification Wars, the period when the Emperor of Mankind personally, and openly, took control of humanity's destiny. The Chronicles were excessively bloody and described scenes of utter destruction wrought by the techno-barbarians. Long-forgotten cities were routinely sacked, or burned, or simply
