Tainted Love: A Gripping Psychological Thriller (Behind Closed Doors Book One) by Erin Cawood*The Daughter A Gripping Psychological*

The Daughter by Lucy Dawson is described as a gripping psychological thriller and in part this is true. Either I'm reading too many such books, which helps me figure out what's going on, long before the twist is revealed or the twist isn't that hard to figure out. Either way, the book gets 6.5/10 from me.
