Oberhofer - Dead Girls Dance - YouTube

Dead Girls Dancing by Graham Masterton is book #8 in the Katie McGuire series and while the character is still intriguing, the books themselves may be losing steam. These tales are not for the faint of heart. They are violent and brutal and blur the lines between what does and does not make for good reading.

Dead Girl's Dance When you live in a town run by vampires, the last thing you need is to be associated with a vampire slayer. Frank Collins, father to Clair's boyfriend, Shayne, is out for revenge against vampires for the ruin of his family, and he doesn't care who he drags down with him, even his own son.

When Claire Danvers and her equally outcast best friend Eve are invited to the annual Dead Girls' Dance at a fraternity, all hell breaks loose when the living group party with the dead group in a town rampant with bloodthirsty vampires.

Fantasy-roman.

Claire has her share of challenges. Like being a genius in a school that favors beauty over brains; homicidal girls in her dorm, and finding out that her college town is overrun with the living dead. On the up side, she has a new boyfriend with a vampire-hunting dad. But when a local fraternity throws the Dead Girls' Dance, hell is really going to break loose. Watch a Windows Media trailer for this book.

Claire Danvers's college town may be run by vampires but a truce between the living and the dead made things relatively safe. For a while. Now people are turning up dead, a psycho is stalking her, and an ancient bloodsucker has proposed private mentoring. To what end, Claire will find out. And it's giving night school a whole new meaning. Watch a Windows Media trailer for this book.

College freshman Claire Danvers has had enough of her nightmarish dorm situation, where the popular girls never let her forget just where she ranks in the school's social scene: somewhere less than zero. When Claire heads off-campus, the imposing old house where she finds a room may not be much better. Her new roommates don't show many signs of life. But they'll have Claire's back when the town's deepest secrets come crawling out, hungry for fresh blood. Watch a Windows Media trailer for this book.

In the college town of Morganville, vampires and humans coexist in (relatively) bloodless harmony. Then comes Bishop, the master vampire who threatens to abolish all order, revive the forces of the evil dead, and let chaos rule. But Bishop isn't the only threat. Violent black cyclone clouds hover, promising a storm of devastating proportions as student Claire Danvers and her friends prepare to defend Morganville against elements both natural and unnatural. Watch a Windows Media trailer for this book.

"As far as I'm concerned, Richard S. Prather was the King of the paperback P.I writers of the 60s. Shell Scott should be in the Top Ten of any readers list of favorite private eyes." --Robert J. Randisi For four decades, Richard S. Prather published over 40 works of detective fiction, most featuring his clever, cad-about-town hero, Shell Scott. Known for their arched humor, punchy dialogue, and sunny Southern California locale, the Shell Scott books represent one of the greatest private eye collections ever produced. This case couldn't have been more up Shell Scott's alley. Twelve naked, luscious beauties, one for each month of the year, were Scott's next assignment. They were called the "Wow" pinup girls and, man, were they wow! Scott's mission: find four freckles. Four freckles located on one of these tomatoes' tushies. That was the only clue Scott had to help him solve this murder. But not to worry, it's the perfect mixture of business and pleasure for Shell Scott, P.I. Honored with the Life Achievement Award by the Private Eye Writers of America! "(Shell Scott is) as amusingly blithe a figure as the field has seen since the Saint." --Anthony
