In his award-winning book, *The Democratization of American Christianity*, Nathan O. Hatch explores the hypothesis and the process by which American Christianity was both influenced and overtaken by the rising spirit of democratic populism in the early years of the republic. Drawing from scores of primary and secondary sources, including such abstract sources as sheets of gospel music and the diaries of itinerant preachers, Hatch delivers a thoughtful and compelling synthesis, providing a ...

The Democratization of American Christianity is one of those classics which the student of early American history and the student of the history of religion and/or culture in the United States should not miss. Dr. Hatch published this award-winning book when he taught at Notre Dame University but he has been president at Wake Forest University for a long time at this point.

The Democratization of American Christianity by Nathan O ...  
Returning from more narrowly political debates to broader cultural questions, this chapter takes democratization as its theme. It testifies to the incompleteness of any historical view that leaves out the achievements of lower-order, dissenting Protestants who, as they drank deeply from the wellsprings of revolutionary rhetoric, greatly advanced the democratization of American religion and, in so doing, the democratization of American society and politics.

Democratization of Christianity and the Character of ...  
Nathan Hatch, in his book, *The Democratization of American Christianity*, argues “ both that the theme of democratization is central to understanding the development of American Christianity, and that the years of the early republic are the most crucial in revealing that process. ”

Chapter One: Introduction: Democracy and Christianity The period of American history covered in this book spans from 1780 to 1845, with a focus on the intense growth and passion of popular protestant movements that flowered outside of traditional denominations.

THE DEMOCRATIZATION OF AMERICAN CHRISTIANITY, by Nathan O ...

Christian democracy is a political ideology that emerged in 19th-century Europe under the influence of Catholic social teaching, as well as neo-Calvinism. It was conceived as a combination of modern democratic ideas and traditional Christian values, incorporating the social teachings espoused by the Catholic, Lutheran, Reformed, and Pentecostal traditions in various parts of the world.

Christian democracy - Wikipedia

The Democratization of American Christianity. The Democratization of American Christianity, by Nathan Hatch, is written about “ the cultural and religious history of the early American republic and the enduring structures of American Christianity ” (3). Hatch writes to make two arguments: 1) the theme of democratization is central to understanding the development of American Christianity, and 2) the years of the early republic are the most crucial in revealing to process that took and is ...
