The Divine: A Play for Sarah Bernhardt by Michel Marc Bouchard

The play might anger those who hold deep faith in the church, or reactionaries who have have an overly rosy view of the past For most people, the play covered already well known issues Catharsis is a possible response for some to the play's displayed atrocities, but it mostly feels like a cheap, easily accessed emotional response targeting those who do not understand or know history, which is ...

The Divine: A Play for Sarah Bernhardt

Lila or Leela can be loosely translated as the "divine play". The concept of Lila is common to both non-dualist and dualist philosophical schools of Indian philosophy, but has a markedly different significance in each. Within non-dualism, Lila is a way of describing all reality, including the cosmos, as the outcome of creative play by the divine absolute. In the dualistic schools of Vaishnavism, Lila refers to the activities of God and his devotee, as well as the macrocosmic actions of the manif

In it is the Divine Play. Here is the sound of the white bee, Here the dance of the black swan takes place, Where water is thirsty and air desires to sit down by fire, Where the fire is cool and water burns. Only a few Realized ones know this play, Pure consciousness, innocent like the child,

Lila - the Divine Play

Lila as a genre of drama is a popular cultural event for celebrating Krsna, such as the performance of the ram-lila (Hawley 57). The concept of lila, divine play, reiterates key elements in understanding the nature of the gods in Hinduism, as well as provides a place for the process of creativity in religious thought.

Lila: Divine Play | Mahavidya

This grand play is choreographed by Divine Will. When we act in harmony with the Divine Will, then all that we have envisioned comes to pass, and it seems as though our own will is being done. But when we attempt to act in opposition to the Divine Will, then our plans will not be successful, and we see that our own will and our petty opinions mean nothing when they are in opposition to the Divine Will.

Divine Play - Wahiduddin

The word leela is Sanskrit for ‘ the divine play of God ’ . Fritjof Capra captures the idea well in his book, The Tao of Physics : The basic recurring theme in Hindu mythology is the creation of the world by the self-sacrifice of God— ‘ sacrifice ’ in the original sense of “ making sacred ” —whereby God becomes the world which, in the end, becomes again God.

Two priests-to-be in Quebec City are ordered to deliver a letter to actress Sarah Bernhardt, forbidding her from performing.

Tirso de Molina's *Marta the Divine* (c. 1614-15) is a spirited comedy about an ingenious young woman who fakes religious piety in order to avoid an arranged marriage imposed upon her by her father. Marta's false religiosity becomes a cover for sneaking her boyfriend into her house and, to all intents and purposes, having a sexual relationship with him without her credulous father suspecting a thing. The stakes involved in this risky gambit are particularly high because her boyfriend, Felipe, is also the man who has killed her brother. In this fast-moving play that celebrates the victory of youth over age, of love over revenge, little is held sacred, as circumstances spiral to the point of outrageousness. Not surprisingly, *Marta* has been a controversial play over the years, condemned for immorality and salaciousness by some, championed as an anticlerical tract by others. Readers and audience members over the years have puzzled as to what Tirso wants us to make of the title character and her behaviour. Is she a cautionary example, a sly hypocrite, whom we are to hold at a critical distance? Or she is a sympathetic comic heroine, even a proto-feminist, whose cause we are to embrace? No matter one's perspective, *Marta* is memorable because of the audaciousness and resourcefulness of the title character. *Marta* is a great stage creation, and the plot Tirso builds around this trickster has the feel of the archetypal, transcending the time and place of its creation. At the same time, *Marta* is a surprisingly comprehensive satire of the Spanish empire of its day. Through a variety of subtle touches, Tirso paints a picture of an imperial capital plagued by avarice and hypocrisy. The play has some puzzling elements or 'problems' from a technical point of view, but the irresistible force of its comic energy has appealed to readers and audiences for nearly 400 years. This edition presents the play for the first time ever in English translation. The translation is accompanied by the Spanish text, translators' note and a substantial introduction.

This study in the relationship between religion and the comic focuses on the ways in which the latter fulfils a central function in the sacred understanding of reality of pre-modern cultures and the spiritual life of religious traditions. The central thesis is that figures such as tricksters, sacred clowns, and holy fools play an essential role in bridging the gap between the divine and the human by integrating the element of disequilibrium that results from the contact between incommensurable realities. This interdisciplinary and cross-cultural series of essays is devoted to spiritual, anthropological, and literary characters and phenomena that point to a deeper understanding of the various mythological, ceremonial, and mystical ways in which the fundamental ambiguity of existence is symbolized and acted out. Given its interdisciplinary and cross-cultural perspective, this volume will appeal to scholars from a variety of fields.

This is the authoritative source biography of Ramakrishna (1836-1886) based on interviews with those who knew him. It is also an interpreted description of the entire range of Ramakrishna's spiritual disciplines and experiences, explained as much as possible in terms of reason and common empirical experience,
