Mui Chiu Dang was a free spirited boy growing up in a country at war. He was handcuffed, beaten, and sentenced to prison without a trial. Never completely losing hope, even when confronted with life-threatening experiences, he believed even his darkest moments were blessings in disguise. He took on each challenge as another personal adventure through life. With nothing but a simple pair of shorts in his possession, he left his entire family behind and joined the exodus from the only country he had known. This story is how one

a total loss, delivering an unexpected asset in the wake of their defeat: Liun Tio, a.k.a the Knife, a notorious warlord and enemy of the Alliance, whose deep-seated mistrust of artificial intelligence and control over what may be the largest free fleet in the galaxy have made him the most important man alive. If humanity is going to have a chance to survive the Tetron onslaught, Ares and the Knife will need to find a way to work together. But can the two factions learn to trust one another enough to bring the power of their joint forces to bear against a common enemy, or will their fragile alliance crumble beneath the weight of personal motives and divergent goals? As Mitchell and the Riggers will soon discover, the knife's edge cuts both ways.

Series, the tale "The Edge of the Knife" takes place just prior to the devastating world war that occurs in 1973, wiping out much of humanity and leading to the ascendance of a new world order. The story focuses on a protagonist who is plagued by brief glimpses of the future. Many fans regard this story as a thematic touchstone that yokes together much of Piper's oeuvre.

When he fails to prevent the murder of a young woman in L.A., Tom Nyman starts an investigation that takes him across the sprawling city, from Beverly Hills to Skid Row. Haunted at every turn by his own past, he uncovers a web of sex, greed, and political corruption reaching into the darkest corners of the City of Angels.

Ronin. Once-heroes from a different age, they wield elemental powers... wind, water, fire, stone, forest, sun, moon, flesh, and metal. At the same time, a young man discovers his best friend with a sword in her stomach, and dark wings sprouting from her back. Guards rush onto the scene, accuse him of the act, and he is forced to flee. In a new world without his memories, Gray must find his way amid legends and darkness, as he wrestles with an elemental power inside himself. A power all too similar to the infamous Ronin...

The battle of Stalingrad was the turning point of World War II. The German capture of the city, their encirclement by Soviet forces shortly afterwards, and the hard-fought but futile attempts to relieve them, saw bitter attritional fighting and extremes of human misery inflicted on both sides. The surrender of General Friedrich von Paulus's army left Germany's eastern armies severely weakened, but the Red Army had suffered enormous losses as it overreached itself in trying to exploit its great victory. The war was not over. Germany would continue the fight, and the battles that took place in the

winter of 1942/43 would show the tactical and operational skill of Erich von Manstein and the Wehrmacht as they attempted to avert total disaster. In this title, now available in paperback, a renowned expert on warfare on the Eastern Front reveals the often-overlooked German counteroffensive post-Stalingrad, and how it prevented the whole Axis front line from collapsing. Drawing on first-hand accounts, On a Knife's Edge is a story of brilliant generalship, lost opportunities and survival in the harshest theatre of war.
