v. t. e. Zemirot or Z'mirot (Hebrew: ?????? ?) (Yiddish: Zmiros; Biblical Hebrew: Z'miroth; singular: zemer/z'mer) are Jewish hymns, usually sung in the Hebrew or Aramaic languages, but sometimes also in Yiddish or Ladino. The best known zemirot are those sung around the table during Shabbat and Jewish holidays.

You're at the Shabbos table. You're singing the zemiros, the Sabbath songs. The melodies move you. The poetry is beautiful. But what does it mean? Now, with the same innovative format that has opened the Siddur and Tehillim to new vistas of understanding, this new Schottenstein Edition brings you the beauty and meaning of the Shabbos zemiros. So as you sing you'll see the word-by-word translation; and as you are moved by the traditional tunes and cadences your eyes and mind will enhance your joy.

A psychological study, based on extensive interview data, of Jewish adults who take on a devout lifestyle. Spiritual transformation is the process of changing one’s beliefs, values, attitudes, and everyday behaviors related to a transcendent experience or higher power. Jewish adults who adopt Orthodoxy provide a clear example of spiritual transformation within a religious context. With little prior exposure to traditional practice, these baalei teshuvah (literally, “masters of return” in Hebrew) turn away from their former way of life, take on strict religious obligations, and intensify their spiritual commitment. This book examines the process of adopting Orthodox Judaism and the extensive life changes that are required. Based on forty-eight individual interviews as well as focus groups and interviews with community outreach leaders, it uses psychological developmental theory and the concept of socialization to understand this journey. Roberta G. Sands examines the study participants’ family backgrounds, initial explorations, decisions to make a commitment, spiritual struggles, and psychological and social integration. The process is at first exciting, as baalei teshuvah make new discoveries and learn new practices. Yet after commitment and immersion in an Orthodox community, they face challenges furthering their education, gaining cultural knowledge, and raising a family without parental role models. By showing how baalei teshuvah integrate their new understandings of Judaism into their identities, Sands provides fresh insight into a significant aspect of contemporary Orthodoxy. “Sands’s judicious and comprehensive application of social science theories to the study of Jewish returnees provides a unique contribution to the social scientific study of religion.” — Roberta Rosenberg Farber, coeditor of Jews in America: A Contemporary Reader

ArtScroll mesorah Series. Grace after meals and Sabbath songs translated and annotated. Hebrew and English.

Dictionary of Jewish Usage: A Guide to the Use of Jewish Terms is a unique and much needed resource to the way many Hebrew, Yiddish, and Aramaic words and meanings are used by English speakers. Sol Steinmetz draws upon his years of experience as an editor of dictionaries, as well as his lifelong study of Jewish history, traditions, and practices, to lead the reader through the essentially uncharted territory of Jewish usage. Dictionary of Jewish Usage clarifies the meanings of Jewish terms that have been absorbed into English, as well as the transliterated Hebrew terms from sacred texts that reflect differing pronunciations. The dictionary also explains terms that are often misused, sheds light on the meaning of clusters of terminology, and delineates the etymology and pronunciation of many words, making this an invaluable guide for anyone curious about Jewish usage.

The Family Zemiros Zemirot U - cable.vanhensy.com

Gathers stories, essays, memoirs, excerpts from novels, and poems by more than 130 Jewish writers who worked in the Russian language. This two-volume set is organized chronologically. The first volume spans the nineteenth century and the first part of the twentieth century. The second volume covers the period from the death of Stalin.

This definitive anthology gathers stories, essays, memoirs, excerpts from novels, and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language. It features writers of the tsarist, Soviet, and post-Soviet periods, both in Russia and in the great emigrations, representing styles and artistic movements from Romantic to Postmodern. The authors include figures who are not widely known today, as well as writers of world renown. Most of the works appear here for the first time in English or in new translations. The editor of the anthology, Maxim D. Shrayer of Boston College, is a leading authority on Jewish-Russian literature. The selections were chosen not simply on the basis of the author's background, but because each work illuminates questions of Jewish history, status, and identity. Each author is profiled in an essay describing the personal, cultural, and historical circumstances in which the writer worked, and individual works or groups of works are headnoted to provide further context. The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish-Russian culture. This handsome two-volume set is organized chronologically. The first volume spans the nineteenth century and the first part of the twentieth century, and includes the editor's extensive introduction to the Jewish-Russian literary canon. The second volume covers the period from the death of Stalin to the present, and each volume includes a corresponding survey of Jewish-Russian history by John D. Klier of University College, London, as well as detailed bibliographies of historical and literary sources.

Thanks to these generous donors for making the publication of this book possible: Miles z"l and Chris Lerman; David Lerman and Shelley Wallock The bestselling guide to understanding Jewish traditions, now in paperback This is a comprehensive and authoritative resource with ready answers to questions about almost all aspects of Jewish life and practice: life-cycle events, holidays, ritual and prayer, Jewish traditions and customs, and more. Ronald Eisenberg has distilled an immense amount of material from classic and contemporary sources into a single volume, which provides thousands of insights into the origins, history, and current interpretations of a wealth of Jewish traditions and customs. Divided into four sections--Synagogue and Prayers, Sabbaths and Festivals, Life-Cycle Events, and Miscellaneous (a large section that includes such diverse topics as Jewish literature, food, and plants and animals)--this is an encyclopedic reference for anyone who wants easily accessible, accurate information about all things Jewish. Eisenberg writes for a wide, diversified audience, and is respectful of the range of practices and beliefs within today's American Jewish community--from Orthodox to liberal.
