The Care & Keeping of You: The Body Book for Girls by ...

A beautiful picture book about the journey of a girls body during puberty and growing up. The impact those changes on the outside can have on our insides. It stresses the importance of self acceptance. Also, practicing self care and self love should start sooner rather than later, and should be part of your life routine.

Love Your Body by Jessica Sanders - Goodreads

through are preparing your body for reproduction (having children). Your body changes and the way you look at the world will likely change as well. Puberty is a gradual thing and everyone goes through it. Puberty happens to you even while you are getting your homework done, swimming at the beach, or going to the movies. It is the body ' s
