The Great Reformer: Francis and the Making of a Radical Pope by Austen Ivereigh is a highly readable and informative biography of Jorge Mario Bergoglio-the Jesuit priest who is now Pope Francis, head of the Roman Catholic church. Bergoglio, an Argentinian priest born to Italian immigrants, has impressed the world with his insistence on simplicity, poverty and a focus on a theology "shaped by the periphery, not the center," the church's obligation to a radical commitment to the poor.

There are many stories in *The Great Reformer* that will draw attention for the new light they cast on areas of controversy or important episodes in Francis ' s life. But there is a narrative thread, captured in the title, that runs through them all: of a church leader who from an early age felt called to be a reformer, and was given the authority to do so.

**The Great Reformer: Francis and the Making of a Radical...**

Drawing on extensive interviews in Argentina and other countries and now featuring an updated epilogue, *The Great Reformer* traces the roots of his papacy in Francis's childhood in Buenos Aires, in his Jesuit training, and in the dramatic events during the Per ó n era and the military government in Argentina in the 1970s. It shows how these experiences have shaped his beliefs, and with his commitment to the discernment of God's will, enabled him to challenge and redirect the Church.
